- IV. Additional Discussion
- V. Action Items, Next Steps, and Adjourn

Community Engagement and Supports

Goal 1: Increase capacity of recovery housing in West Virginia.

		Q1 Progress	Q2 Progress	Q3 Progress	Q4 Progress
Strategy 1	Create and sustain a system of assessing recovery housing capacity and quality to make funding recommendations and expand resources statewide.				

KPI 2	By December 31, 2022, conduct an annual update of the assessment of current recovery housing.	0%	90%	90%	
KPI 3	By December 31, 2022, create a layered map to demonstrate capacity of treatment, transitional, recovery, and re-entry housing across the state. The map will incorporate various factors such as overdose and overdose death rates, levels of care offered through recovery housing, etc. to understand gaps and prioritize needs.	0%	50%	90%	
Strategy 2	Provide training, funding, and resources to increase the capacity and appropriate use of recovery housing in West Virginia.				
KPI 1	By December 31, 2022, increase the number of recovery residences that are medication-assisted treatment accessible (offering all forms of medication-assisted treatment) by an additional 20%.	63%	100%	100%	
KPI 2	By December 31, 2022, continue to identify and analyze best practices of successful recovery housing in other states and increase trainings statewide in West Virginia by 25%.	31%	92%	100%	
KPI 3	By December 31, 2022, continue to increase the number of recovery residences to support multiple pathways of recovery by an additional 10%.	100%	100%	100%	
KPI 4	By December 31, 2022, offer two educational opportunities on housing for community stakeholders and partners across the state, to include but not be limited to West Virginia Alliance of Recovery Residences tools, resources, and levels of care.	0%	0%	50%	
KPI 5	By December 31, 2022, hold a statewide conference for housing operators, staff, and community stakeholders that offers different tracks, scholarships, hands-on learning, and certificates of completion.	0%	25%		
KPI 6	By December 31, 2022, develop a white paper that includes, but is not limited to, how recovery housing is funded in West Virginia, sustainability of funding to support recovery housing, current barriers and challenges, and sustainability of staff.	0%	25%		
Strategy 3	Develop and implement a certification process that will assure quality and consistency of recovery housing and the services provided.				
KPI 1	Through December 31, 2022, continue to engage the West Virginia Alliance of Recovery Residences to complete certification processes of recovery residences by an additional 20% in West Virginia.	78%	100%
