## Community Engagement and Supports

### Goal 1: Increase capacity of recovery housing in West Virginia.

		Q1 Progress	Q2 Progress	Q3 Progress	Q4 Progress
<b>Strategy 2</b>	<b>Provide long-term, sustainable funding, resources, and training to increase the capacity of recovery residences and the appropriate use of recovery housing in West Virginia</b>				
KPI 1	By December 31, 2023, increase the number of recovery residences that offer multiple pathways, including all forms of medication-assisted treatment, by an additional 20% and display on a map.	50%	66%		
KPI 2a	By December 31, 2023, continue to identify and analyze best practices of successful recovery housing in other states.	0%	100%		
KPI 2b	By December 31, 2023, increase trainings statewide in West Virginia by 25%.	40%	50%		
KPI 4	By January 31, 2023, offer two educational opportunities on housing for community stakeholders and partners across the state, to include but not be limited to WVARR tools/resources and levels of care.	100%	100%		
KPI 5	By December 31, 2023, hold a statewide conference for housing operators, staff, and community stakeholders that offers different tracks, scholarships, hands on learning, and certificates of completion.	25%	100%		
KPI 6	By December 31, 2023, assess the funding needs of recovery residences in West Virginia and identify current funding available for recovery residences.	30%	100%		
KPI 7	By December 31, 2023, develop recommendations to create sustainable funding models for all levels of recovery housing in the state.	0%	0%		
KPI 8	By March 31, 2023, develop a white paper that includes, but is not limited to, how recovery housing is funded in West Virginia, sustainability of funding to support recovery housing, current barriers and challenges, and sustainability of staff.	0%	0%		
KPI 9	By December 31, 2023, identify and make a request and application for it a certain percentage of annual state opioid response grant funding to recovery residences.	0%	0%
