

## Appendix U

### VII. Caseload Management

#### Caseload Allocation Methodology

For the 2020 caseload allocation, the State will look at the last three years' average caseload of each Local Agency and weight the averages at .5 for FY 2018, .3 for FY 2017 and .2 for FY 2016. This figure will then be assigned to the Local Agency for the FY 2020.
