

Child Care and Development Fund (CCDF) Plan
For

West Virginia
FFY 2014-2015

**PART 1
ADMINISTRATION**

1.1 Contact Information

The agency shown below has been designated by the Chief Executive Officer of the State (or Territory), to represent the State (or Territory) as the Lead Agency. The Lead Agency agrees to administer the program in accordance with applicable Federal laws and regulations and the provisions of this Plan, including the assurances and certifications appended hereto.(658D, 658E)

1.1.1 Who is the Lead Agency designated to administer the CCDF program? Identify the Lead Agency and Lead Agency's Chief Executive Officer designated by the State/Territory. ACF will send official grant correspondence such as grant awards, grant adjustments, Plan approvals and disallowance notifications to the designated contact identified here. (658D(a), §98.10)

1.2 Estimated Funding

1.2.1 What is your expected level of funding for the first year of the FY 2014 - FY 2015 plan period?

The Lead Agency estimates that the following amounts will be available for child care services and related activities during the 1-year period from October 1, 2013 through September 30, 2014. (§98.13(a)).

Effective Date: 01-OCT-13

FY 2014 Federal CCDF allocation (Discretionary, Mandatory and Matching): \$ [31,326,138](#)

Federal TANF Transfer to CCDF: \$

Direct Federal TANF Spending on Child Care: \$ 12,000,000

State CCDF Maintenance-of-Effort Funds: \$ 2,971,392

State Matching Funds: \$ 13,918,043

Reminder - Lead Agencies are reminded that not more than 5 percent of the aggregate CCDF funds, including federal funds and required State Matching funds, shall be expended on administration costs (§98.52) once all FY2014 funds have been liquidated. State Maintenance-of-Effort funds are not subject to this limitation.

1.2.2 Which of the following funds does the Lead Agency intend to use to meet the CCDF Matching and maintenance-of-effort (MOE) requirements described in 98.53(e) and 98.53(h)? Check all that apply.

Territories not required to meet CCDF Matching and MOE requirements should mark

Effective Date: 01-OCT-13

N/A here

Note: The Lead Agency must check at least public and/or private funds as matching, even if pre-kindergarten (pre-k) funds also will be used.

Public funds to meet the CCDF Matching Fund requirement. Public funds may include any general revenue funds, county or other local public funds, State/Territory-specific funds (tobacco tax, lottery), or any other public funds.

If checked, identify source of funds:

General revenue.

If known, identify the estimated amount of public funds the Lead Agency will receive:

6,302,680

Private Donated Funds to meet the CCDF Matching Fund requirement. Only private received by the designated entities or by the Lead Agency may be counted for match purposes. (98.53(f))

If checked, are those funds:

donated directly to the State?

donated to a separate entity(ies) designated to receive private donated funds?

If checked, identify the number of entities designated to receive private donated funds and provide name, address, contact and type:

If known, identify the estimated amount of private donated funds the Lead Agency will receive:

State expenditures for Pre-K programs to meet the CCDF Matching Funds requirement.

If checked, provide the estimated percentage of Matching Fund requirement that will be met with pre-k expenditures (not to exceed 30%):

If percentage is more than 10% of the Matching fund requirement, describe how the State will coordinate its pre-k and child care services:

If known, identify the estimated amount of pre-k funds the Lead Agency will receive for Matching Funds requirement:

Describe the Lead Agency efforts to ensure that pre-k programs meet the needs of working parents:

State expenditures for Pre-K programs to meet the CCDF Maintenance of Effort (MOE) requirements.

If checked,

The Lead Agency assures that its level of effort in full-day/full-year child care services has not been reduced, pursuant to 98.53(h)(1).

Estimated percentage of MOE Fund requirement that will be met with pre-k expenditures (not to exceed 20%):

If percentage is more than 10% of the MOE fund requirement, describe how the State will coordinate its pre-k and child care services to expand the availability of child care:

If known, identify the estimated amount of pre-k funds the Lead Agency will receive for MOE Fund requirement:

Describe the Lead Agency efforts to ensure that pre-k programs meet the needs of working parents:

1.2.3 Describe the activities for which quality funds (including targeted quality funds for infants and toddlers, school-age children, and resource and referral) will be used in FY 2014 - 2015. Note: Funding estimate is limited to FY 2014 In as much detail possible, list the activities that will be funded, the estimated amount of CCDF quality funds that will be used for each activity, and how these activities relate to the Lead Agency's overall goal of improving the quality of child care for low-income children.

1.2.4 Will the Lead Agency distribute quality funds to counties or local entities?

Note: This question is to obtain information on whether the Lead Agency retains decision making responsibilities regarding the quality dollars at the State/Territory level or if funds are distributed to local entities

Does the State maintain decisions at the State level, or are funds distributed to locals that have some decisions on how funds are spent.

- No, the Lead Agency will not distribute any quality funds directly to local entities
- Yes, all quality funds will be distributed to local entities
- Yes, the Lead Agency will distribute a portion of quality funds directly to local entities.
Estimated amount or percentage to be distributed to localities

Approximately 90% of Quality funds are distributed to Resource & Referral Agencies however the state retains primary decision making abilities. The primary use of funds distributed to the R&R Agencies is for staff and other support services.

1.3 CCDF Program Integrity and Accountability

Program integrity is defined to include efforts that ensure effective internal controls over the administration of CCDF funds. The Lead Agency is responsible for monitoring programs and services, ensuring compliance with the rules of the program, promulgating rules and regulations to govern the overall administration of the plan and oversee the expenditure of funds by sub-grantees and contractors. (§ 98.11(b)) Accountability measures should address administrative error, which includes unintentional agency error, **as well as address** program violations, both unintentional and intentional, that may or may not result in further action by the Lead Agency, including those cases suspected of and/or prosecuted for fraud.

1.3.1. Describe the strategies the Lead Agency will utilize to ensure effective internal controls are in place. The **description** of internal controls may include, but is not limited to a description of processes to ensure sound fiscal management, to identify areas of risk or to establish regular evaluation of control activities.

Effective Date: 01-OCT-13

Describe:

The Lead Agency retains overall responsibility for administering all Child Care and Development Fund monies, including the development of state Child Care policy and procedures, promulgation of regulatory requirements for providers, oversight of all funds by grantees, and assuring that grantees operate according to CCDF rules. The Lead Agency also provides direction for all activities that improve the quality of care. Policy is developed on a state level and is the same statewide with no local variations with regard to priorities for children, eligibility criteria, sliding fee scales, payment rates or procedures. Regulatory requirements must be promulgated through the state Legislature so regulations apply statewide. The Department does, however, enter into grant agreements with other private agencies to implement many of its

services, programs and activities.

CCR&R Services: The state has developed an infrastructure of Child Care Resource and Referral (CCR&R) agencies to provide resource and referral services, manage the child care certificate system (including eligibility determination and payment to providers) and deliver a number of quality initiatives. The current six CCR&R agencies were selected through competitive grant announcements. As the vast majority of service delivery and quality initiatives are contracted through the CCR&R, the state has a number of methods for maintaining overall control of CCR&R activities. They include the following:

- An annual work plan and grant agreement used to continue and/or modify requirements and services.
- CCR&R agencies follow all state policy and procedures and use state designed forms and information systems. Checks are written and issued by the Lead Agency based on information entered into the State's database by CCR&R agencies, so certificate monies remain with the state allowing for better control of funds.

In order to ensure that only appropriate expenses are charged to CCDF, all child care and related activities are captured in a separate fund in the accounting system.

The annual budget is prepared by the Bureau's financial unit based on projected expenditures and available federal and state funding levels. Each childcare expenditure is budgeted and spent in a specified accounting code (org), which allows expenditures to be segregated by activity type. This segregation includes capturing expenditures related to the various required earmarks. The codes also allow the transfer of the expenditures to the federal report form.

Detailed monthly expenditure reports are prepared that compare current spending levels to the budgeted amounts. These reports are thoroughly reviewed and any discrepancies are researched and any necessary adjustments are made.

Expenditures originate from several different sources, including activities that are directly charged to the separate child care fund such as payments made to child care providers. Child Care Resource and Referral (CCR&R) agencies are responsible for determining eligibility and processing payments to child care providers. These payments are processed in the Statewide Automated Child Welfare Information System (SACWIS). In West Virginia the system is known as the Family & Children's Tracking System (FACTS). The FACTS system allows the flexibility for various types of expenditures to post to specific accounting codes (orgs).

A cost allocation plan is used for administrative expenditures that are shared amongst various funding sources. The CCR&R agencies and Bureau workers complete a time study in order to allocate these costs. The time study is used to determine activities they perform that are not eligible to be paid with federal CCDF funding, as well as activities that qualify for any of the required earmarks.

All accounting information is posted to the statewide Financial Information Management System (FIMS). From there, the Department's finance unit pulls the expenditures to complete the federal reporting forms.

1.3.2. Describe the processes the Lead Agency will use to monitor all sub-recipients. Lead Agencies that use other governmental or non-governmental sub-recipients to administer the program must have written agreements in place outlining roles and responsibilities for meeting CCDF requirements. (98.11 (a) (3))

Definition: A sub-recipient (including a sub-contractor and or sub-grantee) is a non-Federal entity that expends Federal awards (contract or grant) received from another entity to carry out a Federal program, but does not include a vendor nor does it include an individual who is a beneficiary of such a program. OMB Circular A-133 Section 210 provides additional information on the characteristics of a **sub-recipient and vendor** (http://www.whitehouse.gov/omb/circulars/a133_compliance_supplement_2010). The description of monitoring may include, but is not limited to, a discussion of written agreements, fiscal management, review of policies and procedures to ensure compliance with CCDF regulations, monitoring/auditing contractors or grantees to ensure that eligible children are served and eligibility documentation is verified, and establishing performance indicators or measures related to improper payments.

Effective Date: 01-OCT-13

Describe:

The Department has created a CCR&R monitoring system. Interview guides and processes were developed to evaluate services delivered by the agencies. During this process, DHHR program and contract staff interview all CCR&R staff as well as some local DHHR staff, providers and recipients, and review case records, personnel and financial files. Program staff monitor work flow and environment. If deficiencies exist, the state requests corrective action and then monitors to insure corrective action was taken. The state has the option to issue a new competitive grant announcement if improvement does not occur. All six agencies have been reviewed in this manner.

Quarterly program and financial reports are required that cover expenditures, numbers of families, children and providers served for subsidy, resource and referral and other quality initiatives, payments processed, and training and technical assistance provided.

The DHHR includes provisions for corrective action within its grant agreements with the CCR&R Agencies that administer the subsidy system. These provisions are:

Deductions & Withholdings: The Department may deduct amounts or withhold payments invoiced by the Grantee under the Grant Agreement between the Grantee and the Department or its operating units if the Grantee fails to comply with any requirements of the Grant Agreement between the Grantee and the Department or its Bureaus, Offices, Divisions, or other operating units.

Funds withheld due to unsatisfactory program performance or failure to comply with the terms and conditions of the Grant Agreement between the Department or its other operating units may be restored upon satisfactory completion of the condition that caused the withholding.

Monitoring: If, as a result of its monitoring efforts, the Department uncovers deficiencies in the Grantee's administration of the grant or related project/program, the Department shall notify the Grantee in writing of said deficiencies. The Grantee shall agree to take immediate and timely corrective action as determined by the Department in an attempt to rectify any identified and reported deficiencies and to resolve the matter.

- **Department Right of Approval:** The Department shall have the right in its sole discretion to refuse to permit any employee of the Grantee, or employee of an approved agent, assignee, or subcontractor of the Grantee, to be located at a Department work location, or to provide services to the Department or its clientele pursuant to the Grant Agreement.

1.3.3. Describe the activities the Lead Agency will have in place to identify program violations and administrative error to ensure program integrity using the chart below. Program violations may include intentional and unintentional client and/or provider violations as defined by the Lead Agency. Administrative error refers to **areas identified through the Error Rate Review** process (98.100). Check which activities, if any, the Lead Agency has chosen to conduct.

------	--------------------------	--------------------------

For any option the Lead Agency checked in the chart above other than none, please describe:

West Virginia uses a variety of means to prevent errors that result in improper payments. The FACTS system is designed to take the information entered in the system by the CCR&R worker and use it to determine eligibility. This eliminates many of the errors, with the exception of errors in the data entry itself. As part of the required Quality Assurance Plan, each CCR&R agency shall have a process to internally monitor eligibility determinations, payment processing, and FACTS data entry. In addition, state level staff work with CCR&R agencies to identify problem policies, procedures and forms that may lead to errors. Solutions are developed by committee, and supported in the field through training and technical assistance supplied by the child care consultants. Strategies developed to prevent and reduce errors and improper payments include the following:

- CCR&R agencies must use the state's management information system, the Family and Children's Tracking System (FACTS) to determine financial eligibility and calculate payment amounts due. The FACTS system is programmed to calculate income, determine eligibility, and assess co-payment amounts. The system also has controls to limit payments to eligible days and children only.
- CCR&R agencies must use state developed child care policy and procedures.
- Family child care providers must submit sign in and out sheets to verify attendance along with their billing forms, and centers are asked on a random basis to submit their sign in and out sheets along with their billing forms.
- CCR&R agencies must audit billing forms and compare work and school schedules to times shown on the sign in and out form to verify child care usage complies with time approved.
- Child care providers who submit incorrect or improper billing forms must attend a retraining session on proper billing procedures. After attending three retraining sessions, if the provider fails to comply with appropriate billing procedures, the provider can be denied participation in the certificate system.
- Subsidy clients must submit verifications for activities and income. For example, students receiving services must provide school schedules and grades. Employed clients must submit pay stubs and work schedules.
- Subsidy clients must submit proof of child support received or pursued. Subsidy clients with no currently established support requirements are given six months to begin establishing child support. Exemptions to the child support requirement are granted if the absent parent is incarcerated, deceased, or for good cause. Persons acting in loco parentis and foster parents, including kinship relatives are also exempt.

- Subsidy clients must provide proof of residency within the state of West Virginia and proof of identity.
- If there is substantiated misrepresentation by a potential provider in any DHHR administered program (TANF, Child Care, Food Stamps, etc.), that person shall be prohibited from participation in the Certificate Program. If restitution is made, a one-time waiver is available.

If the Lead Agency checked none, please describe what measures the Lead Agency has or plans to put in place to address program integrity:

1.3.4. What strategies will the Lead Agency use to investigate and collect improper payments due to program violations or administrative error? Check and describe in the chart below which strategies, if any, the Lead Agency will use for each of the following areas: Unintentional program violations (UPV), intentional program violations (IPV) and/or fraud, and administrative error as defined in your State/Territory. **The Lead Agency has the flexibility to recover misspent funds as a result of errors. The Lead Agency is required to recover misspent funds as a result of fraud (98.60(i)).**

1.3.5. What type of sanction, if any, will the Lead Agency place on clients and providers to help reduce improper payments due to program violations?

Effective Date: 01-OCT-13

- None
 Disqualify client.

If checked, please describe, including a description of the appeal process for clients who are disqualified

This process applies to both clients and providers: Supervisors are responsible for negotiating repayment schedules with providers and/or clients and completing a Repayment Agreement to include the amount to be recovered, the period of recovery, the monthly recovery amount, and the procedure for repayment. If intentional misrepresentation may have occurred and the provider/client remains active, it is recommended that the CCR&R worker try to collect the payment in full. If this is not feasible, it is suggested that the R&R worker request that the client or provider be asked to repay the amount in monthly installment payments of approximately 10% of the amount due.

Payment schedules should be sufficient to recover the amount due within a reasonable time period but should not pose an undue hardship on a client. The amount of payment should not exceed living costs. Payments must be made by money order. If a payment is more than forty-five (45) days late, the entire unpaid balance becomes due and must be paid in full. Failure to repay the requested amount shall result in case closure for clients or denial of participation in the certificate system for child care providers. Client services will not be reinstated until full payment is received.

The West Virginia Public Welfare Law and subsequent administrative actions have guaranteed an applicant for or a recipient of Social Services the right to a hearing concerning an action taken by the Department. Every child care client and provider has the right to request a hearing concerning actions taken by the Department or CCR&R workers. The State Board of Review is designated by State Law as the body through which a client or provider may present his/her case to a higher authority. The State Hearing Officer is an impartial official who has not been directly involved in any determination of the action in question.

Lead Agencies are required to *consult* with appropriate agencies in the development of its CCDF Plan (§98.12, §98.14(a),(b), §98.16(d)).

Definition: *Consultation* involves the meeting with or otherwise obtaining input from an appropriate agency in the development of the State or Territory CCDF Plan. At a minimum, Lead Agencies must consult with representatives of general purpose local governments. (§§98.12(b), 98.14(a)(1))

1.4.1 Identify and describe in the table below who the Lead Agency consulted with in the development of the CCDF Plan (658D(b)(2), §§98.12(b), 98.14(b)).

Agency/Entity	Describe how the Lead Agency consulted with this Agency/entity in developing the CCDF Plan
<input checked="" type="checkbox"/> <p>Representatives of general purpose local government (required)</p> <p>This may include, but is not limited to: representatives from counties and municipalities, local human service agencies, local education representatives (e.g., school districts), or local public health agencies.</p>	<p>The Division of Early Care and Education participates in a state level early childhood advisory council. County school system members' local head start and child care programs participate as members of the Advisory Council so are a part of all collaborative efforts. State and local regulatory staff works with local health departments in the licensing of child care centers and family child care facilities (group care). Centers and facilities must both have permits to operate from the local health department, so communication and coordination are essential.</p>
<p>For the remaining agencies, check and describe (optional) any which the Lead Agency has chosen to consult with in the development of its CCDF Plan.</p>

1.5. Coordination Activities to Support the Implementation of CCDF Services

Lead Agencies are required to *coordinate* with other Federal, State, local, Tribal (if applicable) and private agencies providing child care and early childhood development services

Definition - *Coordination* involves child care and early childhood and school-age development services efforts to work across multiple entities, both public and private (such as in connection with a State Early Childhood Comprehensive System (SECCS) grant or the State Advisory Council funded under the Head Start Act of 2007). (658D(b)(1)(D), §§98.12(a), 98.14(a)(1))

Note: Descriptions of how governments are organized for each State are provided at: http://www2.census.gov/govs/cog/all_ind_st_descr.pdf.

1.5.1. Identify and describe in the table below with whom the Lead Agency coordinates in the delivery of child care and early childhood and school-age services (§98.14(a)(1)).

Effective Date: 01-OCT-13

Agency/Entity (check all that apply)	Describe how the Lead Agency will coordinate with this Agency/entity in delivering child care and early childhood services	Describe the goals or results you are expecting from the coordination
		Examples might include increased supply of full-day/full-year services, aligned eligibility policies, blended funding, or access to more training and technical assistance resources shared across agencies.

<p>Representatives of general purpose local government</p> <p>This may include, but is not limited to:</p> <p><input checked="" type="checkbox"/> representatives from counties and municipalities, local education representatives, or local public health agencies.</p>	<p>The Division of Early Care and Education participates in a state level early childhood advisory council. The purpose and the responsibilities of the Early Childhood Advisory Council are to lead the development/enhancement of a high-quality, comprehensive system of early childhood development and care that ensures statewide coordination and collaboration among the wide range of early childhood programs and services in the State. Duties include:

Conduct periodic statewide needs assessment of the quality and availability of early childhood development programs for children 0-5, including prekindergarten services.

Identify opportunities for and barriers to, collaboration and coordination among federal and state funded child development, child care and early childhood education programs and services, including among state agencies administering these programs.

Develop recommendations regarding a unified data collection system for public early childhood education programs and services.

Develop recommendations regarding statewide professional development and career advancement plans for early childhood educators.

Assess capacity of two and four year colleges to support the development of early childhood educators, including the existence of articulation agreements, professional development and career advancement plans, and practice or internships in Head Start and Prekindergarten programs.

Make recommendations for improvements in or develop new State Early Learning standards

Hold public hearings and provide an opportunity for public comment on the activities described.

Submit a strategic report addressing the activities described to the Governor, Legislature, Departments of Education and Health and Human Resources and the State Collaboration Director.

Periodic meetings to review implementation of the recommendations in the report and any changes in state and local needs.

1.6. Child Care Emergency Preparedness and Response Plan

It is recommended, but not required, that each Lead Agency develop a plan to address preparedness, response, and recovery efforts specific to child care services and programs. Plans should cover the following areas: 1) planning for continuation of services to CCDF families; 2) coordination with other State/Territory agencies and key partners; 3) emergency preparedness regulatory requirements for child care providers; 4) provision of temporary child care services after a disaster; and 5) rebuilding child care after a disaster. For further guidance on developing Child Care Emergency Preparedness and Response Plans see the Information Memorandum (CCDF-ACF-IM-2011-01) located on the Office of Child Care website at: <http://www.acf.hhs.gov/programs/occ/resource/im-2011-01>

1.6.1. Indicate which of the following best describes the current status of your efforts in this area. Check only ONE.

Effective Date: 01-OCT-13

Planning. Indicate whether steps are under way to develop a plan. If so, describe the time frames for completion and/or implementation, the steps anticipated and how the plan will be coordinated with other emergency planning efforts within the State/Territory.

Developed. A plan has been developed as of **[insert date]:** and put into operation as of **[insert date]:** , if available. Provide a web address for this plan, if available:

Other.
Describe:

The Division of Early Care and Education continues to work on its emergency preparedness plan; however no formal Lead Agency plan is in place at this time. The CCR&R agencies have developed their own emergency preparedness plans for their own programs, which include plans for delivery of services in an emergency. Three CCR&R agencies continue to pilot the scanning of documents rather than maintenance of paper files. If this pilot is successful, it will expand to the other three CCR&R agencies in the state. The lead agency expects the planning period for expansion to be completed by 2015.

1.6.2. Indicate which of the core elements identified in the Information Memorandum are or will be covered in the Lead Agency child care emergency preparedness and response plan. Check which elements, if any, the Lead Agency includes in the plan.

Effective Date: 01-OCT-13

- Planning for continuation of services to CCDF families
- Coordination with other State/Territory agencies and key partners
- Emergency preparedness regulatory requirements for child care providers
- Provision of temporary child care services after a disaster
- Restoring or rebuilding child care facilities and infrastructure after a disaster
- None

PART 2

CCDF SUBSIDY PROGRAM ADMINISTRATION

2.1 Administration of the Program

The Lead Agency has broad authority to administer (i.e., establish rules) and operate (i.e., implement activities) the CCDF program through other governmental, non-governmental, or other public or private local agencies as long as it retains overall responsibility for the administration of the program. (658D(b), §98.11(a))

2.1.1. Which of the following CCDF program rules and policies are set or established at the State/Territory versus the local level? Identify the level at which the following CCDF program rules and policies are established.

- Eligibility rules and policies (e.g., income limits) are set by the:
 - State/Territory
 - Local entity.

If checked, identify the type of policies the local entity(ies) can set

2.2. Family Outreach and Application Process

Lead Agencies must inform parents of eligible children and the general public of the process by which they can apply for and potentially receive child care services. (658D(b)(1)(A), 658E(c)(2)(D) & (3)(B), §§98.16(k), 98.30(a)-(e). **Note** - For any information in questions 2.2.1 through 2.2.10 that differs or will differ for families receiving TANF, please describe in 2.2.11.

2.2.1. By whom and how are parents informed of the availability of child care assistance services under CCDF? (658E(c)(2)(A), §98.30(a)) Check all agencies and strategies that will be used in your State/Territory.

Describe:

Billboards. Parents are informed of the availability of child care services through family support staff at local DHHR offices, child care staff at CCR&R agencies, providers who accept subsidy payments, the state's website, and other consumer education efforts. CCR&R agencies have placed posters in DHHR offices' waiting areas to notify parents of eligibility for services and have used various advertising campaigns including billboards, radio, and newspaper articles to spread the word. The CCR&R agencies have also set up application sites at college campuses and local businesses and have attended community fairs and even parent teacher organization meetings to provide information on child care services. Each CCR&R has a website that is connected to the state Child Care website that includes information on how to apply for child care and the options of types of child care. The CCR&R agencies also use their TRAILS vans to advertise the program. The vans set up at fairs, festivals and conferences across the state to

offer information about available services.

During the application process, parents are informed of the range of child care providers, including faith based, that are available through the certificate program and are referred to available providers in their area, if they have not already selected a provider. The Families and Children Tracking System (FACTS) enables a search of the provider database by county or zip code. Once that search is completed, a list of provider characteristics can be generated to provide a more detailed referral. The state's web page also has a listing of child care centers that can be sorted by county.

2.2.2. How can parents apply for CCDF services? Check all application methods that your State/Territory has chosen to implement.

Effective Date: 01-OCT-13

- In person interview or orientation
- By mail
- By Phone/Fax
- Through the Internet

(provide website):

- By Email
- Through a State/Territory Agency
- Through an organization contracted by the State/Territory
- Other.

Describe:

2.2.3. Describe how the Lead Agency provides consumer education to parents applying for CCDF assistance to promote informed choices about the quality of care provided by various providers in their communities.

Effective Date: 01-OCT-13

Lead Agencies must certify that the State/Territory will collect and disseminate to parents of eligible children and the general public, consumer education information that will promote informed child care choices (658E (c)(2)(G), §98.33).

For example, memorandums of understanding with resource and referral agencies to provide consumer education to families applying for CCDF assistance, providing parents with provider lists showing licensing history and/or Quality Rating and Improvement System (QRIS) ratings, or informational brochures that address importance of quality and different care options available.

During the application process, parents are informed of the range of child care providers, including faith based, that are available through the certificate program and are referred to available providers in their area, if they have not already selected a provider. The Families and Children Tracking System (FACTS) enables a search of the provider database by county or zip code. Once that search is completed, a list of provider characteristics can be generated to provide a more detailed referral. The state's web page also has a listing of child care centers that can be sorted by county. Information on the importance of recognizing and choosing quality child care is disseminated through consultations with case workers, brochures, and websites.

2.2.4. Describe how the Lead Agency will support child care programs to increase the likelihood that CCDF-served children receive higher quality care as defined in your State/Territory.

Effective Date: 01-OCT-13

For example, methods used to promote upward movement in quality rating and improvement system, methods used to encourage high quality programs to participate in the subsidy program such as tiered reimbursement, or incentives used to support high quality programs in rural, suburban, urban, and low-income communities.

West Virginia operates a three-level tiered reimbursement system. The State places all newly licensed/registered providers at Tier 1. Providers may apply to be a Tier II provider by submitting written documentation that they met higher quality standards. Tier II providers would then receive an additional \$2 per day per child. Child care centers who achieved accreditation by the National Association for the Education of Young Children (NAEYC) and family child care homes and facilities who were accredited by the National Association for Family Child Care (NAFCC) received an additional \$4 per child per day on Tier III.

Accredited providers are paid at approximately the 75th to the 95th percentile of the established market rate. Tier II providers are paid at approximately the 55th to 90th percentile of the current market rate. These amounts allow parents to access higher quality child care programs.

The Division of Early Care and Education also provides additional incentive rates, including incentives for providing care for children with special needs and for providing care during non-traditional hours. These add \$2 to \$4 extra per day per child.

Child care providers participating in the certificate system are likely to provide care to low income parents typically working in the service sector, the group who most needs non-traditional hours of care. The non-traditional rate supplement and the quality tier supplement assist these parents in accessing not only child care providers who meet their scheduling needs, but also those that are accredited.

2.2.5. Describe how the Lead Agency promotes access to the CCDF subsidy program? Check the strategies that will be implemented by your State/Territory.

Provide access to program office/workers such as by:

- Providing extended office hours
- Accepting applications at multiple office locations
- Providing a toll-free number for clients
- Email/online communication

Establish two-tiered income eligibility to allow families to continue to receive child care subsidies if they experience an increase in income but still remain below 85% of State median income (SMI)

Synchronize review date across programs

List programs:

Longer eligibility re-determination periods (e.g., 1 year).

Describe:

Extend periods of eligibility for families who are also enrolled in either Early Head Start or Head Start and pre-k programs.

Describe:

Extend periods of eligibility for school-age children under age 13 to cover the school year.

Describe:

Minimize reporting requirements for changes in family's circumstances that do not impact families' eligibility, such as changes in income below a certain threshold or change in employment

Individualized case management to help families find and keep stable child care arrangements.

Describe:

Case workers assist families by educating them on the importance of continuity of care and by referring them to other programs for which they are eligible. Child Care Resource and Referral agencies are required to maintain a listing of all programs and agencies in their areas that provide assistance of any kind to the community.

Using non-CCDF Funds to continue subsidy for families who no longer meet eligibility, such as for children who turn 13 years of age during the middle of a program year

2.2.12. Informing parents who receive TANF benefits about the exception to the individual penalties associated with the TANF work requirement.

The regulations at §98.33(b) require the Lead Agency to inform parents who receive TANF benefits about the exception to the individual penalties associated with the work requirement for any single custodial parent who has a demonstrated inability to obtain needed child care for a child under 6 years of age. Lead Agencies must coordinate with TANF programs to ensure, pursuant that TANF families with young children will be informed of their right not to be sanctioned if they meet the criteria set forth by the State TANF agency in accordance with section 407(e)(2) of the Social Security Act. In fulfilling this requirement, the following criteria or definitions are applied by the TANF agency to determine whether the parent has a demonstrated inability to obtain needed child care.

NOTE: The TANF agency, not the CCDF Lead Agency, is responsible for establishing the following criteria or definitions. These criteria or definitions are offered in this Plan as a matter of public record.

Effective Date: 01-OCT-13

a) Identify the TANF agency that established these criteria or definitions:

State/Territory TANF Agency Department of Health and Human Resources, Bureau for Children and Families, Office of Children and Family Policy, Division of Family Assistance.

b) Provide the following definitions established by the TANF agency.

- "appropriate child care": Child care is available during work or activity placement hours. Regulated or certified child care is suitable for special needs children.
- "reasonable distance": Travel to access child care is not in excess of 60 minutes per day.
- "unsuitability of informal child care": Determination is made on a case-by-case basis. The Family Support Specialist has discretion to determine unsuitability. (see all other items)
- "affordable child care arrangements": Can access and be eligible for child care subsidy (CCDF). Provider (regulated or informal) is eligible to receive child care subsidies

c) How are parents who receive TANF benefits informed about the exception to individual penalties associated with the TANF work requirements?

2.3. Eligibility Criteria for Child Care

In order to be eligible for services, children must (1) be under the age of 13, or under the age of 19 if the child is physically or mentally disabled or under court supervision; (2) reside with a family whose income is less than 85 percent of the State's median income for a family of the same size; and (3) reside with a parent or parents who is working or attending job training or an educational program; or (4) be receiving or needs to receive protective services. (658P(3), §98.20(a))

2.3.1. How does the Lead Agency define the following eligibility terms?

Effective Date: 01-OCT-13

residing with -

to live with permanently or for an extended period.

in loco parentis -

an individual, related or non-related, who has been granted custody or guardianship by a court of law or who has assumed full physical custody and responsibility for a child, with or without legal custody.

2.3.2. Eligibility Criteria Based Upon Age

Effective Date: 01-OCT-13

a) The Lead Agency serves children from 0 weeks to 12 years (may not equal or exceed age 13).

b) Does the Lead Agency allow CCDF-funded child care for children age 13 and above but below age 19 years who are physically and/or mentally incapable of self-care?
(658E(c)(3)(B), 658P(3), §98.20(a)(1)(ii))

Yes, and the upper age is **18** (may not equal or exceed age 19).
Provide the Lead Agency definition of *physical or mental incapacity* -

Children presenting a significant delay of at least 25% in one or more areas of development, or a six (6) month delay in two or more areas as determined by an early intervention program, special education program or other multi-disciplinary team shall be eligible for the Special Needs status.

No.

c) Does the Lead Agency allow CCDF-funded child care for children age 13 and above

b) Does the Lead Agency provide CCDF child care assistance to parents who are attending job training or an educational program? (§§98.16(g)(5), 98.20(b))

Yes.

If yes, how does the Lead Agency define "attending job training or educational program" for the purposes of eligibility? Provide a narrative description below.

Reminder - Lead Agencies have the flexibility to include any training or education-related activities in its definition of job training or education, including study time and travel time.

attending job training or educational program -

Job training and educational programs includes attendance at all on-the-job training, vocational training, skill training, secondary school programs, post secondary schools, colleges and universities. Attendance can be either full or part time enrollment, but must be accompanied by satisfactory progress as verified by at least a 2.0 grade average when grades are available.

No.

2.3.4. Eligibility Criteria Based Upon Receiving or Needing to Receive Protective Services

a) Does the Lead Agency provide child care to children in protective services?
(§§98.16(f)(7), 98.20(a)(3)(ii)(A) & (B))

Yes.

If yes, how does the Lead Agency define "protective services" for the purposes of eligibility? Provide a narrative description below.

Reminder - Lead Agencies have the flexibility to define protective services beyond formal child welfare or foster care cases. Lead Agencies may elect to include homeless children and other vulnerable populations in the definition of protective services.

Note - If the Lead Agency elects to provide CCDF-funded child care to children in foster care whose foster care parents are not working, or who are not in education/training activities for CCDF purposes these children are considered to be in protective services and should be included in this definition.

protective services

- **Children residing with parents that are unable to provide adequate care or supervision and whose parents need support and assistance with child care responsibilities to prevent or alleviate child abuse or neglect. Child protective services workers located within the lead agency determine the protective services status of children.**

No.

b) Does the Lead Agency waive, on a case-by-case basis, the co-payment and income eligibility requirements for cases in which children receive, or need to receive, protective services? (658E(c)(3)(B), 658P(3)(C)(ii), §98.20(a)(3)(ii)(A))

Yes.

No.

2.3.5. Income Eligibility Criteria

Effective Date: 01-SEP-14

a) How does the Lead Agency define "income" for the purposes of eligibility? Provide the Lead Agency's definition of "income" for purposes of eligibility determination.
(§§98.16(g)(5), 98.20(b))

income -

[A family's eligibility would be re-reviewed in the case of marriage or addition of a child.](#)

d) Describe any action(s) the State/Territory would take in response to any change in a family's eligibility circumstances prior to re-determination

[In the case of a child addition – the family would benefit from a reduced child care fee, as the income would not be updated at this time. Actions taken in regard to adding a spouse would vary depending upon whether or not the spouse was involved in a qualifying activity. Spousal income would also be counted.](#)

e) Describe how these policies are implemented in a family-friendly manner that promotes access and continuity of care for children. (See Information Memorandum on Continuity of Care for examples <http://www.acf.hhs.gov/programs/occ/resource/im2011-06>).

As noted in c, the family would benefit from a fee reduction. Families are given 13 days notice of any change in eligibility in regards to a family size change.

f) Does the Lead Agency use a simplified process at re-determination?

Yes.

If yes, describe:

Applicants are not required to have a face-to-face interview for redetermination. Redetermination forms are mailed to the parent to complete and return.

No.

2.3.7. Waiting Lists

Describe the Lead Agency's waiting list status. Select ONE of these options.

Effective Date: 01-OCT-13

Lead Agency currently does not have a waiting list and:

All eligible families *who apply* will be served under State/Territory eligibility rules

Not all eligible families *who apply* will be served under State/Territory eligibility rules

Lead Agency has an active waiting list for:

Any eligible family who applies when they cannot be served at the time of application

Only certain eligible families.

Describe those families:

Waiting lists are a county/local decision.

2.3.8. Appeal Process for Eligibility Determinations

Effective Date: 01-OCT-13

Describe the process for families to appeal eligibility determinations:

If the client disagrees with a negative action, he or she may either: Supply information needed to continue services; Request a hearing, in writing, to the CCR&R worker before the end of the 13 day notice period to continue services; or Request a hearing, in writing, within 30 days of the notification. Services will not be continued if the request is made after 13 days but within 30 days. Requests made after 30 days will not be considered.

2.4. Sliding Fee Scale and Family Contribution

The statute and regulations require Lead Agencies to establish a sliding fee scale that varies based on income and the size of the family to be used in determining each family's contribution (i.e., co-payment) to the cost of child care (658E(c)(3)(B) §98.42).

2.4.1. Attach a copy of the sliding fee scale as Attachment 2.4.1. Will the attached sliding fee scale be used in all parts of the State/Territory?

Effective Date: 01-SEP-14

Yes.

Effective Date: [September 1, 2014](#)

No. If no, attach other sliding fee scales and their effective date(s) as **Attachment 2.4.1a, 2.4.1b**, etc.

Describe:

Other.

Describe:

If the Lead Agency checked more than one of the options above, describe:

In addition to gross income and number in the family, the family's contribution is based on the number of children actually receiving child care services since a per-child fee is charged for up to three children. The amount shown on the scale represents the daily fee per child. There is no additional charge for more than three children. The sliding fee scale is coded in the Family and Children's Tracking System, which calculates income and assigns co-payments. Co-payment amounts are printed on the certificate given to eligible families. Families make their copayment directly to the child care provider on a schedule agreed to by each.

2.4.4. Will the Lead Agency use other factors in addition to income and family size to determine each family's contribution to the cost of child care? (658E(c)(3)(B), §98.42(b))

Effective Date: 01-OCT-13

Yes,
and describe those additional factors:

No.

2.4.5. The Lead Agency may waive contributions from families whose incomes are at or below the poverty level for a family of the same size. (§98.42(c)). Select ONE of these options.

Reminder - Lead Agencies are reminded that the co-payments may be waived for only two circumstances - for families at or below the poverty level or on a case-by-case basis for children falling under the definition of "protective services" (as defined in 2.3.4.a).

Effective Date: 01-SEP-14

ALL families, including those with incomes at or below the poverty level for families of the same size, ARE required to pay a fee.

NO families with income at or below the poverty level for a family of the same size ARE required to pay a fee.

The poverty level used by the Lead Agency for a family of 3 is:

SOME families with income at or below the poverty level for a family of the same size ARE NOT required to pay a fee.

The Lead Agency waives the fee for the following families:

2.5. Prioritizing Services for Eligible Children and Families

At a minimum, CCDF requires Lead Agencies to give priority for child care assistance to children with special needs, or in families with very low incomes. Prioritization of CCDF assistance services is not limited to eligibility determination (i.e., establishment of a waiting list or ranking of eligible families in priority order to be served). Lead Agencies may fulfill priority requirements in other ways such as higher payment rates for providers caring for children with special needs or waiving co-payments for families with very low incomes (at or below the federal poverty level). (658E(c)(3)(B), §98.44)

2.5.1. How will the Lead Agency prioritize child care services to children with special needs or in families with very low incomes? (658E(c)(3)(B), §98.44) Lead Agencies have the discretion to define *children with special needs* and *children in families with very low incomes*. Lead Agencies are not limited in defining *children with special needs* to only those children with physical or mental disabilities (e.g., with a formal Individual Education Plan (IEP) required under the Individuals with Disabilities Education Act (IDEA)). Lead Agencies could consider children in the child welfare system, children of teen parents, or homeless children as examples of *children with special needs*.

2.5.2. How will CCDF funds be used to provide child care assistance to meet the needs of families receiving Temporary Assistance for Needy Families (TANF), those attempting to transition off TANF through work activities, and those at risk of becoming dependent on TANF? (658E(c)(2)(H), Section 418(b)(2) of the Social Security Act, §§98.50(e), 98.16(g)(4)) **Reminder** - CCDF requires that not less than 70 percent of CCDF Mandatory and Matching funds be used to provide child care assistance for families receiving Temporary Assistance for Needy Families (TANF), those attempting to transition off TANF through work activities, and those at risk of becoming dependent on TANF.

Effective Date: 01-SEP-14

- Use priority rules to meet the needs of TANF families (describe in 2.5.1 or 2.5.3.)
 - Waive fees (co-payments) for some or all TANF families who are below poverty level
 - Coordinate with other entities (i.e. TANF office, other State/Territory agencies, and contractors)
 - Other.
- Describe:

The state's Child Care Certificate Program currently meets the needs of families who are receiving Temporary Assistance for Needy Families (TANF), families who are attempting through work activities to transition off of such assistance programs, and families who are at risk of becoming dependent on such assistance using the following policies, provided the family's income is within eligibility guidelines. All families who fall within the established eligibility guidelines for child care services fall into one of the above TANF categories. The state does not operate a waiting list, so the needs of all eligible families are met. This is made possible by the use of approximately \$20 million in TANF direct funds to pay for child care costs through the certificate system. Families with very low income, which is defined as 40% of FY 2014 FPL, are exempt from payment of child care fees.

However, if at any time funds are again insufficient to meet needs, the state may either cut eligibility or establish a waiting list. If a waiting list were established, families with very low income (40% of Federal Poverty Level) would be exempt from placement on the waiting list. The agency would re-examine the exemption levels and set the level to insure that TANF recipients were not placed on a waiting list. The Lead Agency would prefer to establish an income amount for exemption from the waiting list rather than base the exemption on whether or not the

applicant is a TANF recipient.

2.5.3. List and define any other eligibility conditions, priority rules and definitions that will be established by the Lead Agency. (658E(c)(3)(B), §98.16(g)(5), §98.20(b))
Reminder - Lead Agencies are reminded that any eligibility criteria and terms provided below must comply with the eligibility requirements of §98.20 and provided in section 2.2. Any priority rules provided must comply with the priority requirements of §98.44 and provided in section 2.4.1.

2.6.4. The Lead Agency must allow for in-home care (i.e., care provided in the child's own home) but may limit its use. (§§98.16(g)(2), 98.30(e)(1)(iv)) Will the Lead Agency limit the use of in-home care in any way?

- No
- Yes. If checked, what limits will the Lead Agency set on the use of in-home care?
Check all limits the Lead Agency will establish.
- Restricted based on minimum number of children in the care of the provider to meet minimum wage law or Fair Labor Standards Act
- Restricted based on provider meeting a minimum age requirement
- Restricted based on hours of care (certain number of hours, non-traditional work hours)
- Restricted to care by relatives
- Restricted to care for children with special needs or medical condition
- Restricted to in-home providers that meet some basic health and safety requirements
- Other.

2.6.5. Describe how the Lead Agency maintains a record of substantiated parental complaints about providers and makes substantiated parental complaints available to the public on request. (658E(c)(2)(C), §98.32)

Effective Date: 01-OCT-13

Local DHHR child care regulatory specialists and state licensing staff enter information in the state's management information system (FACTS) on all substantiated parental complaints on family child care providers, family child care facility providers, legally exempt school-age child care programs and child care centers. When a parent requests a history of substantiated complaints, a report may be generated from FACTS called a "History of Non-Compliance Report." The report indicates any substantiated non-compliance, any corrective action and dates of completion. This information is readily accessible to local DHHR child care staff, resource and referral workers and state licensing staff. When a request for the information is made, the worker is to provide a copy of the applicable page(s). However, workers are not to provide any additional information or discussion regarding the complaints.

When a complaint is substantiated, the provider is informed that a substantiated complaint becomes part of the public record that is made available to parents upon request. Written notification of the complaint is mailed to the provider and may include a corrective action plan, a change in status, limitations on services, etc.

2.7. Payment Rates for Child Care Services

The statute at 658E(c)(4) and the regulations at §98.43(b)(1) require the Lead Agency to establish adequate payment rates for child care services that ensure eligible children equal access to comparable care.

2.7.1. Attach a copy of your payment rates as Attachment 2.7.1. Will the attached payment rates be used in all parts of the State/Territory?

Effective Date: 01-OCT-13

2.7.3. Market Rate Survey

Lead Agencies must complete a local Market Rate Survey (MRS) no earlier than two years prior to the effective date of the Plan (no earlier than October 1, 2009). The MRS must be completed prior to the submission of the CCDF Plan (see Program Instruction CCDF-ACF-PI-2009-02 <http://www.acf.hhs.gov/programs/occ/resource/pi-2009-02> for more information on the MRS deadline).

Effective Date: 01-OCT-13

a) Provide the month and year when the local Market Rate Survey(s) was completed (§98.43(b)(2)): [04/2013](#)

b) Provide a summary of the results of the survey.

The summary should include a description of the sample population, data source, the type of methodology used, response rate, description of analyses, and key findings.

Methodology and Data Source

All child care providers are given the survey form to complete and return upon entry into the system and upon renewals of certification, registration, or licensure. They are asked to submit their rates at any time changes are made. Child Care Regulatory Specialists enter the information into the FACTS system and Market Rate Reports are pulled from that data. This year, Child Care Resource and Referral Agencies contacted all child care providers to ensure data in the system was correct. The market rate report was then pulled from the FACTS database.

Sample Size and Response Rate

Sample sizes and response rates are listed below: West Virginia attempts to sample 100% of the child care population in the following categories:

- Family Child Care 1,451 out of 1,451 – 100% surveyed responded
- Facilities: 98 out of 98 – 100% surveyed responded
- Centers: 333 out of 333 – 100% surveyed responded

Key Findings

According to the new market rate survey conducted in April, 2013, West Virginia's base rates vary from the 20th percentile of the market rate up to the 75th percentile. However, rates for programs that are accredited, and/or those that provide services during non-traditional hours vary from the 50th percentile to the 85th percentile of the market rate.

2.7.4. Describe the payment rate ceilings in relation to the current MRS using the tables below.

Effective Date: 01-OCT-13

2.7.4a - Highest Rate Area (Centers)	(a) Monthly Payment Rate at the 75th percentile from the most recent MRS	(b) Monthly Maximum Payment Rate Ceiling	(c) Percentile if lower than 75th percentile of most recent survey

2.7.5. How are payment rate ceilings for license-exempt providers set?

Effective Date: 01-OCT-13

a) Describe how license-exempt center payment rates are set:

WV no longer has any license-exempt centers that are eligible to participate in the subsidy program. All centers who wish to participate in the subsidy system must be licensed.

b) Describe how license-exempt family child care home payment rates are set:

Registered informal and relative family child care is set at \$7.50 per day for infants and \$6.00 per day for children over 2. West Virginia does not collect market rate information on these types of providers as they are only required to register if they choose to accept subsidy.

c) Describe how license-exempt group family child care home payment rates are set:

There are no license exempt group family child care homes in West Virginia.

d) Describe how in-home care payment rates are set:

In home rates are set at a level to ensure the in home care provider receives minimum wage

2.7.6. Will the Lead Agency provide any type of tiered reimbursement or differential rates on top of its base reimbursement rates for providing care for children receiving CCDF subsidies?

Check which types of tiered reimbursement, if any, the Lead Agency has chosen to implement. In the description of any tiered rates or add-ons, indicate the process and basis used for determining the tiered rates and amount and also indicate if the rates were set based on the MRS or another process.

Effective Date: 01-OCT-13

Differential rate for nontraditional hours.

Describe:

\$4.00 per day for the situations described. Non-traditional work hours are defined as: Approved care for at least four (4) hours provided either before 6:00 am or after 7:00 pm Monday through Friday; Any 12 hour work/school shift or split shift which equals twelve or more care hours (including transportation) in a 24 hour period, and Approved care for at least four (4) hours provided on a Saturday or Sunday.

Differential rate for children with special needs as defined by the State/Territory.

Describe:

\$2 per day for qualifying special needs children: One who experiences significant developmental delays or who has a diagnosed physical or mental condition which has a high probability of resulting in a significant developmental delay. Significant delay is a 25% delay in one or more areas of development or a six (6) month delay in two (2) or more areas. Areas of development include: cognitive, speech/language, physical/motor, vision, hearing, psycho social, and self-help skills. Developmental delay is determined by early intervention programs, special education programs, or other multi-disciplinary teams.

Differential rate for infants and toddlers.

Describe:

Payment for child care is based on the type of care, age of child, special needs of individual children, hours of care, nontraditional hours, and accreditation status of the provider.

Differential rate for school-age programs.

Describe:

Differential rate for higher quality as defined by the State/Territory.

Describe:

Registered family homes, child care facilities and child care centers may volunteer to document that they either meet higher quality standards or are nationally accredited. Programs that meet licensing standards are Tier 1 and receive base payment rates. Programs that meet Tier II standards receive \$2 extra daily and programs that are accredited receive \$4.00 per full day per child. Part days are converted to full days before the supplement is calculated. This amount is added for actual days of care only. Monthly rates do not apply to rate supplements.

Other differential rate.

Describe:

None.

Reminder - CCDF regulations require the Lead Agency to certify that the payment rates for the provision of child care services are sufficient to ensure equal access for eligible families to child care services comparable to those provided to families not eligible to receive CCDF assistance. In the next three questions, Lead Agencies are asked to describe how their payment policies reflect the affordable copayments for families provision of equal access (i.e., minimizing additional fees to parents), how payment practices are implemented consistent with the general child care market to be fair to providers (see Information Memorandum on Continuity of Care for examples

<http://www.acf.hhs.gov/programs/occ/resource/im2011-06>), and the summary of facts describing how payment rates are adequate to ensure equal access to the full range of providers.

2.7.7. What policies does the Lead Agency have regarding any additional fees that providers may charge CCDF parents? The Lead Agency...

Effective Date: 01-OCT-13

Allows providers to charge the difference between the maximum reimbursement rate and their private pay rate

Pays for provider fees (e.g., registration, meals, supplies).

Describe:

Policies vary across region, counties and or geographic areas.

Describe:

Other.

Describe:

Providers accepting certificates must agree to accept the applicable rate as full payment of care for up to an eighteen-hour period. However, a parent who leaves a child past the provider's established closing time may be charged a late fee provided all parents are expected to pay this fee and the parent has left a child past the time indicated on the child care certificate.

2.7.8 What specific policies and practices does the Lead Agency have regarding the following:

Effective Date: 01-OCT-13

a) Number of absent days allowed. Describe

The Monthly Rate will be used for base rates only when a child is in care between 13 to 20 days. Monthly rates are equal to 20 times the daily rate.

b) Paying based on enrollment. Describe

Not applicable.

c) Paying on the same schedule that providers charge private pay families (e.g., hourly, weekly, monthly). Describe

Not applicable.

d) Using electronic tools(automated billing, direct deposit, EBT cards, etc.) to make provider payments. Describe

Child care providers can elect to receive their payments through direct deposit to a savings or checking account.

2.7.9. Describe how payment rates are adequate to ensure equal access to the full range of providers based on the Market Rate Survey.

CCDF regulations require the Lead Agency to certify that the payment rates for the provision of child care services are sufficient to ensure equal access for eligible families to child care services comparable to those provided to families not eligible to receive CCDF assistance. To demonstrate equal access, the Lead Agency shall provide at a minimum a summary of facts describing: (§98.43(a))

Effective Date: 01-SEP-14

a) How a choice of the full range of providers, e.g., child care centers, family child care homes, group child care homes and in-home care, is made available (§98.43(a)(1)):

West Virginia is currently in the middle of developing an EBT system for child care, which will more accurately reflect how the private market pays for care. Rate revision is a part of this project. Based on the most current market rate survey, rates do not reflect equal access to care. However, child care providers continue to accept subsidy children in their programs.

b) How payment rates are adequate based on the most recent local MRS (§98.43(a)(2)):

Some payment rates for some provider types and age categories meet the 75th percentile benchmark. Providers who meet higher quality standards and/or provide care to special needs children/ offer care during non-traditional hours receive reimbursement that exceeds the 75th percentile.

c) How family co-payments based on a sliding fee scale are affordable (§98.43(a)(3)):

The current sliding fee scale was implemented by the Lead Agency on September 1, 2014 and is based on FY 2014 Federal Poverty Level (FPL). The sliding fee scale:

- Has an intake eligibility limit set at 150% of FY 2014 FPL and an exit level set at 185%.
- Sets income brackets based on 10% increments of FY 2014 FPL.
- Sets the first income bracket at 40% of FY 2014 FPL.
- Exempts families earning less than 40% of FY 2014 FPL from payment of fees, therefore exempting most TANF recipients from payment of fees.
- Charges fees based on a percentage of a family's monthly gross income.
- Uses a per child fee that is the same for all children in the family for the first three children.
- Does not charge families for more than three children.
- Requires the provider to collect fees based on the number of days each child is in care.
- Sets fees for a family with one child in care at approximately 10% of the family's monthly gross income.

Sets fees for families with two or more children in care at approximately 10% of monthly gross income.

d) Any additional facts the Lead Agency considered to determine that its payment rates ensure equal access, including how the quality of child care providers is taken into account when setting rates and whether any other methodologies (e.g., cost estimation models) are used in setting payment rates

Four separate rate categories are established for each type of care based on the age of children in care. Separate rates may be set for infants up to two years of age, toddlers two to three years of age, preschool children three to four years of age and for school-age children age 5 and up. For center care, in particular, the different rates reflect costs of care that are based on differences in staff/child ratios.

2.8 Goals for the next Biennium - In this section, Lead Agencies are asked to identify at least one goal for the upcoming biennium and are encouraged to identify no more than five priority goals total. ACF will target technical assistance efforts to help Lead Agencies achieve their goal(s). Lead Agencies may include existing goals (e.g., already identified in a State strategic plan or established by the Governor for a Lead Agency). Lead Agencies will report progress and updates on these goals in the annual Quality Performance Report (Appendix 1), including any barriers encountered.

What are the Lead Agency's goals for the administration of the CCDF subsidy program in the coming Biennium? For example, what progress does the State/Territory expect to make on continuing improved services to parents and providers, continuity of care for children, improving outreach to parents and providers, building or expanding information technology systems, or revising rate setting policies or practices).

Note -When identifying your goals below, Lead Agencies are encouraged to begin with an action verb reflecting the desired result over the two year period (e.g., Increase, Improve, Build, Align, Implement, Review, Revise, Streamline, Expand, etc.)

Effective Date: 01-OCT-13

Goal #1:

Goal 3 – Build capacity within the child care system to reduce improper payments through data systems, staff development and policy revision.

Goal #2:

Goal 1 – Expand parental access to services through developing an on-line portal for applications.

Goal #3:

Goal 2 – Increase eligibility determination accuracy through the FACTS (Families and Children Tracking System – WV’s child care eligibility system) modernization project.

PART 3

Health and Safety and Quality Improvement Activities

3.1. Activities to Ensure the Health and Safety of Children in Child Care (Component #1)

This section is intended to collect information on how Lead Agencies meet the statutory and regulatory provisions related to licensing and health and safety requirements. The

CCDBG statute and the CCDF regulations address health and safety primarily in two ways.

First, Lead Agencies shall certify that they have in effect licensing requirements applicable to child care services provided within the area served by the Lead Agency (§98.40(a)(1)). These licensing requirements need not be applied to specific types of providers of child care services (658(E)(c)(2)(E)(i)). Lead Agencies must describe those licensing requirements and how they are effectively enforced. Questions related to licensing requirements are in sections 3.1.1 and 3.1.2. Second, Each Lead Agency shall certify that there are in effect, within the State or local law, requirements designed to protect the health and safety of children that are applicable to child care providers of services for which assistance is provided under CCDF. Questions related to CCDF Health and Safety requirements are in sections 3.1.3 and 3.1.4.

3.1.1. Compliance with Applicable State/Territory and Local Regulatory Requirements on Licensing

Lead Agencies shall certify that they have in effect licensing requirements applicable to child care services provided within the area served by the Lead Agency (§98.40(a)(1)). These licensing requirements need not be applied to specific types of providers of child care services (658(E)(c)(2)(E)(i)). Lead Agencies must describe those licensing requirements and how they are effectively enforced.

Definition: Licensing requirements are defined as regulatory requirements, including registration or certification requirements established under State, local, or tribal law, necessary for a provider to legally operate and provide child care services in a State or locality (§98.2). This does not include registration or certification requirements solely for child care providers to be eligible to participate in the CCDF program. Those requirements will be addressed in 3.1.2.

The relationship between licensing requirements and health and safety requirements varies by State/Territory depending on how comprehensive the licensing system is. In some States and Territories, licensing may apply to the majority of CCDF-eligible providers and the licensing standards cover the three CCDF health and safety requirements so the State/Territory has few, if any, providers for whom they need to establish additional CCDF health and safety requirements. In other cases, States and Territories have elected to exempt large numbers of providers from licensing which means that those exempted providers who care for children receiving assistance from CCDF will have to meet to the CCDF health and safety requirements through an alternative process outside of licensing as defined by the State/Territory. The State/Territory may also elect to impose more stringent standards and licensing or regulatory requirements on child care providers of services for which assistance is provided under the CCDF than the standards or requirements imposed on other child care providers. (§98.40(b)(1)) (658E(c)(2)(F), §98.41).

a) Is the Lead Agency responsible for child care licensing? (§98.11(a))

Yes.

No.

Please identify the State or local (if applicable) entity/agency responsible for licensing:

b) Provide a brief overview of the relationship between the licensing requirements and CCDF health and safety requirements in your State/Territory.

The State's regulatory requirements will serve as the CCDF health and safety requirements for all types of care except in-home child care

d) CCDF identifies and defines four categories of care: child care centers, family child care homes, group child care homes and in-home child care providers (§98.2). The CCDF definition for each category is listed below. For each CCDF category of care, please identify which types of providers are subject to licensing and which providers are exempt from licensing in your State/Territory in the chart below. **Note: OCC recognizes that each State/Territory identifies and defines its own categories of care. OCC**

does not expect States/Territories to change their definitions to fit the CCDF-defined categories of care. For these questions, provide responses that closely match the CCDF categories of care but consistent with your reported 801 data.

f) Do you expect the licensing requirements for child care providers to change in FY2014-2015?

Yes.

Describe:

Attempt to revise child care center licensing requirements during the 2013 Legislative session failed. The agency anticipates a revision to child care center licensing requirements in 2014 that will address crib standards, physical activity and screen time standards, sex abuse registry

checks, medical plan standards and incorporating safe sleep practices into the center's staff orientation.

No.

3.1.2 Enforcement of Licensing Requirements

Each Lead Agency is required to provide a detailed description of the State/Territory's licensing requirements and how its licensing requirements are effectively enforced. (658E(c)(2)(E), §98.40(a)(2)) The Lead Agency is also required to certify that procedures are in effect to ensure that child care providers caring for children receiving CCDF services comply with the applicable health and safety requirements. (658E(c)(2)(G), §98.41(d))

Describe the State/Territory's policies for effective enforcement of the licensing requirements using questions 3.1.2a through 3.1.2e below. This description includes whether and how the State/Territory uses visits (announced and unannounced), background checks, and any other enforcement policies and practices for the licensing requirements.

If a family child care facility owner or a household member or a staff member has convictions other than those listed in subdivision 16.2.c. of this rule, the family child care facility shall not operate or continue operations unless the caregiver requests a waiver and it is approved by the Secretary. 16.4. If the family child care facility owner or household member or staff member has been convicted of two or more misdemeanors, the family child care facility shall not operate or continue operations unless the facility owner requests a waiver and it is approved by the Secretary. 26 16.5. If the family child care facility owner or a staff member or household member failed to report convictions to the Department, a family child care facility shall not operate or continue operations unless the facility owner requests a waiver and it is approved by the Secretary. 16.6. A family child care facility shall report arrests, charges, indictments, and convictions of caregivers, staff and household members to the Department within twenty-four (24) hours of their occurrence. If the family child care facility fails to report arrests, charges, indictments and convictions within twenty-four (24) hours of the their occurrence, the Department will revoke the certificate of registration. 16.7. The Department shall not approve a facility for continuing licensure if a background check or complaint shows that the operator or a household member: 16.7.a. Has committed child or adult abuse and/or neglect according to Department protective services record or any other Department records; 16.7.b. Is an active recipient of child or adult protective services; or 16.7.c. Has a criminal background as defined in the rule that may not be waived or for which a waiver was not approved.

d-4) The process for providers to appeal the Lead Agency's decision based on the background check findings. Describe:

The person affected must request a waiver of a criminal record history finding and be supported by the licensee. For appeals of the decision, the person would be entitled to a fair hearing through administrative procedures. For abuse/neglect findings, the person may request a waiver, but if disagrees that there is an abuse/neglect record, the person must request a hearing with the Child Protective Services/Adult Protective Services office that issued the finding and that office would begin the fair hearing process.

e) If not performing visits (announced or unannounced) or background checks, describe how the State/Territory will ensure that its licensing requirements are effectively enforced per the CCDF regulations? Describe (658E(c)(2)(E), §98.40(a)(2))

Not applicable.

f) Does the State/Territory disseminate information to parents and the public, including the use of on-line tools or other "search tools," about child care program licensing status and compliance records?

Effective Date: 01-OCT-13

Yes.
Describe:

Persons may search for a child care center and the license status online at: <http://www.wvdhhr.org/bcf/ece/cccenters/>. Persons may request a non-compliance history report on any regulated provider by contacting the Lead agency or by contacting a Child Care Resource and Referral agency.

No

3.1.3. Compliance with Applicable State/Territory and Local Regulatory Requirements on Health and Safety

Each Lead Agency shall certify that there are in effect, within the State or local law, requirements designed to protect the health and safety of children that are applicable to child care providers of services for which assistance is provided under CCDF. Such requirements shall include the prevention and control of infectious diseases (including immunization), building and physical premises safety, and minimum health and safety training appropriate to the provider setting. These health and safety requirements apply to all providers caring for children receiving CCDF services and which also may be covered by the licensing requirements. (658E(c)(2)(F), §98.41)

Check if the Lead Agency certifies that there are in effect within the State (or other area served by the Lead Agency), under State or local law, requirements designed to protect the health and safety of children; these requirements are applicable to child care providers that provide services for which assistance is made available under the Child Care and Development Fund. (658E(c)(2)(E))

a) **Describe** the Lead Agency's health and safety requirements for prevention and control of infectious disease in effect for child care providers of services for which assistance is provided under CCDF using the table below. (658E(c)(2)(F)(i), §98.41(a)(1))

For each health and safety requirement checked, identify which providers under the CCDF category must meet the requirement. Check all that apply.

c) **Describe** the Lead Agency's health and safety requirements for health and safety training in effect for child care providers of services for which assistance is provided under CCDF using the table below. (658E(c)(2)(F)(iii), §98.41(a)(3)). Note: While Lead Agencies have the flexibility to define these terms, for this question, pre-service refers to any training that happens prior to a person starting or shortly thereafter (first week, etc). 'On-going' would be some type of routine occurrence (e.g., maintain qualifications each year).

d) CCDF allows Lead Agencies to exempt relative providers (grandparents, great-grandparents, siblings if living in a separate residence, aunts, and uncles) from these health and safety requirements. What are the Lead Agency's requirements for relative providers? (§98.41(A)(ii)(A))

- All relative providers are subject to the same health and safety requirements as described in 3.1.2a-c, as appropriate; there are no exceptions for relatives.
- Relative providers are NOT required to meet any health and safety requirements as described in 3.1.2a-c, as appropriate.
- Relative providers are subject to certain requirements.

Describe the different requirements:

e) Provide a web address for the State/Territory's health and safety requirements, if available:

www.wvchildcare.org

3.1.4 Effective enforcement of the CCDF health and safety requirements. For providers who care for children receiving CCDF assistance and who are NOT subject to the enforcement procedures described in 3.1.2 for licensed providers, please describe how the Lead Agency enforces the CCDF health and safety enforcement requirements.
Not applicable.

a) Describe whether and how the Lead Agency uses on-site visits (announced and unannounced)

Initial inspections are announced visits. Subsequent monitoring and complaint investigations can be either announced or unannounced

b) Describe whether the Lead Agency uses background checks

Providers must have a criminal history background check through the State Police Criminal Identification Bureau and a Protective Services background check in the Lead Agency's records. Certain felony convictions and crimes against a child or vulnerable adult would make a provider ineligible. Two or more misdemeanors will make a person ineligible, but the person may request

a waiver in most circumstances to the misdemeanor convictions. Persons that have resided outside of the state for more than 12 months as an adult or have lived out of state within the previous 5 years are required to have an FBI background check. Child care providers are required to submit the background checks through the lead agency so that the lead agency receives the results. The lead agency pays for state criminal background checks, but the provider must bear the cost of an FBI background check. The Lead agency conducts the Protective Services background checks. A provider may use the fair hearing process when appealing a Protective Services finding or denial of provider status based upon criminal history finding.

c) Does the Lead Agency permit providers to self-certify compliance with applicable health and safety standards?

Yes. If yes, what documentation, if any, is required?

Describe:

Family child care home providers may self certify by checklist forms. However, all family child care providers participating in the subsidy program receive an on-site inspection visit.

No

d) Describe whether the Lead Agency uses any other enforcement policies and practices for the health and safety requirements Check if the Lead Agency certifies that procedures are in effect to ensure that child care providers of services for which assistance is provided under the Child Care and Development Fund comply with all applicable State or local health and safety requirements. (658E(c)(2)(G))

3.1.5 Does the State/Territory encourage or require child care programs to conduct developmental screening and referral for children participating in child care programs? Lead Agencies are not required to conduct developmental screenings of children, but are encouraged to work with child care providers to promote screening in the areas of physical health (including vision and hearing), mental health, oral health, and developmental disabilities..

Effective Date: 01-OCT-13

Yes.

Describe

No

a) If yes, are training, resources and supports offered to programs to assist them in ensuring that children receive appropriate developmental screenings?

Yes.

Describe

- No
- Other.

Describe

b) If yes, are resources and supports provided to programs to help them understand how families are referred to indicated services and how to work with the health, mental health, and developmental disabilities agencies to support children when follow-up to screening is needed?

- Yes.

Describe

- No
- Other.

Describe

c) Does the State/Territory use developmental screening and referral tools?

- Yes. If Yes, provide the name of the tool(s)

- No
- Other.

Describe

3.1.6 Data & Performance Measures on Licensing and Health and Safety

Compliance - What data elements, if any, does the State/Territory currently have access to related to licensing compliance? What, if any, performance measures does the Lead Agency use for ensuring health and safety? The purpose of these questions is for Lead Agencies to provide a description of their capacity to provide information, not to require Lead Agencies to collect or report this information. For any data elements checked in (a) below, Lead Agencies may provide an optional description about the data they have access to (e.g., the Lead Agency may have data for only licensed programs, only programs caring for children receiving CCDF subsidies, only providers participating in quality improvement systems, or only for certain age groups (e.g., infants and toddlers or school-age children)).

Effective Date: 01-OCT-13

a) **Data on licensing and health and safety.** Indicate if the Lead Agency or another agency has access to data on:

Number of licensed programs.

Describe (optional):

Numbers of programs operating that are legally exempt from licensing.

Describe (optional):

Number of programs whose licenses were suspended or revoked due to non-compliance.

Describe (optional):

Number of injuries in child care as defined by the State/Territory.

Describe (optional):

Number of fatalities in child care as defined by the State/Territory.

Describe (optional):

Number of monitoring visits received by programs.

Describe (optional):

Caseload of licensing staff.

Describe (optional):

Number of programs revoked from CCDF due to non-compliance with health and safety requirements.

Describe (optional):

Other.

Describe:

Number of non-compliance complaints received regarding licensed child care centers.

None.

b) **Performance measurement.** What, if any, performance measures does the State/Territory use in its licensing system to monitor compliance with CCDF health and safety requirements?

When performing case reviews, staff review child care provider records to ensure licensing and registration standards are met. Provider cases with errors are sent to licensing and registration supervisors for review and correction.

c) **Evaluation.** What, if any, are the State/Territory's plans for evaluation related to licensing and health and safety? Evaluation can include efforts related to monitoring implementation of an initiative, validation of standards or assessment tools, or looking at outcomes in programs or the system and may be ongoing or conducted periodically.

NA

3.1.7 Goals for the next Biennium -

In this section, Lead Agencies are asked to identify at least one goal for the upcoming biennium and are encouraged to identify no more than five priority goals total. ACF will target technical assistance efforts to help Lead Agencies achieve their goal(s). Lead Agencies may include existing goals (e.g., already identified in a State strategic plan or established by the Governor for a Lead Agency). Lead Agencies are not required to establish a goal for each sub-section of 3.1. Lead Agencies will report progress and updates on these goals in the annual Quality Performance Report (Appendix 1), including any barriers encountered.

What are the Lead Agency's goals for the licensing and health and safety system in the coming biennium? What progress does the State/Territory expect to make on core areas (e.g. licensing standards, monitoring visits or other effective enforcement, improved technical assistance, or fewer serious non-compliances?)

Note -When identifying your goals below, Lead Agencies are encouraged to begin with an action verb reflecting the desired result over the two year period (e.g., Increase, Improve, Build, Align, Implement, Review, Revise, Streamline, Expand, etc.)

Effective Date: 01-OCT-13

Goal #1:

Goal 1 – Improve compliance to to health and safety requirements by child care centers through random sampling monitoring on a quarterly basis and linking the results to technical assistance.

Goal #2:

Goal 2 - Revise child care center licensing requirements to improve the health and nutrition of children in care.

Goal #3:

Goal 3 - Review the structure of child care regulation including state code to acquire recommendations for changes that will improve the early care and education and school age care system in the state.

NEW!

CCDF has a number of performance measures that are used to track progress for key aspects of the program at the national level. These performance measures are included in budget materials submitted to Congress and other documents. Please follow this link <http://www.acf.hhs.gov/programs/occ/resource/government-performance-and-results-act-gpra-measures> to see the CCDF performance measures. A number of these performance measures rely on information reported in the State and Territorial Plans as a data source. We have added a ruler icon

in Section 3.2 through 3.4 order to identify the specific questions used in the performance measures. When answering these questions, Lead Agencies should ensure that their answers are accurate and complete in order to promote the usefulness and integrity of the performance measures.

3.2 Establishing Voluntary Early Learning Guidelines (Component #2)

For purposes of this section, voluntary early learning guidelines (also referred to as early learning and development standards) include the expectations for what children should know (content) and be able to do (skills) at different levels of development. These standards provide guidelines, articulate developmental milestones, and set expectations for the healthy growth and development of young children. The term *early learning guidelines* (ELGs) refers to age-appropriate developmental learning guidelines for infants and toddlers and school-age children. These early learning guidelines are voluntary because States/Territories are not required to develop such guidelines or implement them in a specified manner.

3.2.1 Has the State/Territory developed voluntary early learning guidelines for children? Check any early learning guidelines the State/Territory has developed.

Effective Date: 01-OCT-13

- Birth-to-three
- Three-to-five

- Five years and older
- None. **Skip to 3.2.6.**

If yes, insert web addresses, where possible:

http://www.wvearlychildhood.org/resources/WV_Early_Learning_Standards_Framework_Infant_Toddler.pdf and <http://wvde.state.wv.us/policies/p2520.15.pdf>

Which State/Territory agency is the lead for the early learning guidelines?

WV DHHR is the lead agency for the Birth to three standards; WV Department of Education is the lead agency for the three-to-five

 **3.2.2 Do the early learning guidelines cover a range of domains across physical, cognitive, and social and emotional development?** Check all that apply for each age group as applicable in the chart below. Because States vary in their domain names and which domains to include, we have used the domains identified in the Head Start Child Development and Early Learning Framework for reference purposes.

3.2.4 Are voluntary early learning guidelines incorporated into other parts of the child care system? Check which ways, if any, the State/Territory incorporates its early learning guidelines into other parts of the child care system.

Effective Date: 01-OCT-13

- To define the content of training required to meet licensing requirements
- To define the content of training required for program quality improvement standards (e.g., QRIS standards)
- To define the content of training required for the career lattice or professional credential
- To require programs in licensing standards to develop curriculum/learning activities based on the voluntary ELGs
- To require programs in quality improvement standards to develop curriculum/learning activities based on the voluntary ELGs
- To develop State-/Territory -approved curricula

Other.

None.

 **3.2.5 Are voluntary early learning guidelines and development standards aligned with into other parts of the child care system?** Check the standards, if any, with which the State/Territory aligns its early learning guidelines.

Effective Date: 01-OCT-13

Cross-walked to align with Head Start Child Development and Early Learning Framework

Cross-walked to align with K-12 content standards

Cross-walked to align with State/Territory pre-k standards

Cross-walked with accreditation standards

Other.

None.

3.2.6 Describe how your State/Territory uses ongoing assessments and measures of school readiness assessment using the following series of questions. In this section, assessment is framed with two distinct purposes/tools - 1) ongoing assessment of children's progress within the classroom to improve and individualize instruction (this corresponds to 3.2.6a) and 2) assessments conducted within pre-kindergarten and/or at kindergarten entry to inform policymakers about the school readiness of children across the State on a broad range of domains, used to guide program initiatives (this corresponds to 3.2.6b).

In the description for each Yes response, please include a) who administers, and b) how often assessments are conducted, and c) what assessment tools are used.

Effective Date: 01-OCT-13

a) Are programs required to conduct ongoing assessments of children's progress of children using valid, reliable and age-appropriate tools aligned with the early learning guidelines or other child standards?

Yes.

Describe:

a-1) If yes, are programs encouraged to use information from ongoing assessments to improve practice and individual children's needs?

Yes.

Describe:

No

Other.
Describe:

a-2) If yes, is information on child's progress reported to parents?

Yes.

Describe:

No

Other.
Describe:

Describe:

b) Does the State/Territory use tools that are valid, reliable and age-appropriate to track the readiness of children within pre-kindergarten and/or as they enter kindergarten?

Yes.

Describe:

b-1) If yes, do the tools cover the developmental domains identified in 3.2.2?

Yes.

Describe:

No

Other.
Describe:

b-2) If yes, are the tools used on all children or samples of children?

All children.

Describe:

Samples of children.

Describe:

Describe:

b-3) If yes, is the information from the school readiness measures used to target program quality improvement activities?

Yes.

Describe:

No

Other.

Describe:

No

Other.

Describe:

c) Is school readiness information linked to the statewide longitudinal data system (SLDS, program of the Department of Education)?

Yes.

Describe:

No

Not applicable. State does not have an SLDS.

3.2.7 Data & Performance Measures on Voluntary Early Learning Guidelines (Click for additional instructions)

Effective Date: 01-OCT-13

a) **Data on voluntary early learning guidelines.** Indicate if the Lead Agency or another agency has access to data on:

Number/percentage of child care providers trained on ELG's for preschool aged children.

Describe (optional):

[CCR&R Professional Development Teams track child care providers trained through the CCR&R's](#)

Number/percentage of child care providers trained on ELG's for infants and toddlers.

3.2.8 Goals for the next Biennium -

In this section, Lead Agencies are asked to identify at least one goal for the upcoming biennium. Lead Agencies are encouraged to include measurable and achievable goals. Lead Agencies may include existing goals (e.g., already identified in a State strategic plan or established by the Governor for a Lead Agency). ACF will target technical assistance efforts to help Lead Agencies achieve their goal(s). What are the Lead Agency's goals for using voluntary early learning guidelines in the coming biennium? What progress does the Lead Agency expect to make related to early learning guidelines?

Effective Date: 01-OCT-13

Goal #1:

1) The Lead Agency will be working with Starting Point Centers across the state to offer training for parents on the ELG's.

Goal #2:

2) The Lead agency will be working on providing the Early Learning Scale from NIEER to child care providers to assess children on the ELG's.

3.3 Creating Pathways to Excellence for Child Care Programs through Program Quality Improvement Activities (Component #3) (Click for additional instructions)

Effective Date: 01-OCT-13

a) Describe which entities are involved in planning and administering the program quality improvement activities in 3.3, including State/Territory entities and local or community level entities.

WV Family Child Care Association (Family Child Care); West Virginia Association for Young Children (NAEYC Affiliate); Kids Count (Advocacy); West Virginia Childcare Centers United (Child Care Director's Group); West Virginia Statewide Afterschool Network; Legislative representation; Child Care Resource & Referral Agencies; West Virginia State Training and Registry System (Professional Development registry); Regulatory for family child care; Regulatory for child care centers; West Virginia Department of Health & Human Resources/Division of Early Care & Education

3.3.1 Element 1 - Program Standards

Definition - For purposes of this section, program standards refers to the expectations for quality, or quality indicators, which identify different levels of and pathways to improved quality. Minimum licensing standards and health and safety requirements provided in section 3.1 are also program standards but in this section, we focus on those standards that build upon and go beyond those minimum requirements.

 a) Does your State/Territory's have quality improvement standards that include indicators covering the following areas beyond what is required for licensing? Check any indicators, if any, that your State/Territory has chosen to establish.

- Ratios and group size
- Health, nutrition and safety
- Learning environment and curriculum
- Staff/Provider qualifications and professional development
- Teacher/providers-child relationships
- Teacher/provider instructional practices
- Family partnerships and family strengthening
- Community relationships
- Administration and management
- Developmental screenings
- Child assessment for the purposes of individualizing instruction and/or targeting program improvement
- Cultural competence
- Other.

Describe:

None. If checked, **skip to 3.3.2.**

b) Does your State/Territory have quality improvement standards with provisions about the care of any of these groups of children? Check any provisions your State/Territory has chosen to establish.

- Children with special needs as defined by your State/Territory
- Infants and toddlers
- School-age children
- Children who are dual language learners
- None

c) How do your State/Territory's quality standards link to State/Territory licensing requirements? Check any links between your State/Territory's quality standards and licensing requirements.

- Licensing is a pre-requisite for participation
- Licensing is the first tier of the quality levels
- State/Territory license is a "rated" license.
- Other.

Describe:

Not linked.

d) Do your State/Territory's quality improvement standards align with or have reciprocity with any of the following standards? Check any alignment, if any, between your State/Territory's quality standards and other standards.

Programs that meet State/Territory pre-k standards are able to meet all or part of the quality improvement standards (e.g., content of the standards is the same, or there is a reciprocal agreement between pre-k and the quality improvement system)

Programs that meet Federal Head Start Performance Standards are able to meet all or part of the quality improvement standards (e.g., content of the standards is the same, or there is a reciprocal agreement between Head Start and the quality improvement system)

Programs that meet national accreditation standards are able to meet all or part of the quality improvement standards (e.g., content of the standards is the same, or an alternative pathway to meeting the standards)

Other.

Describe:

None.

3.3.2 Element 2 - Supports to Programs to Improve Quality

Definition - For purposes of this section, supports to programs to improve quality refers to such activities as technical assistance and consultation services for programs to assist in meeting child care quality improvement standards.

Effective Date: 01-OCT-13

 a) Check which types of and for what purposes the State/Territory uses supports to child care programs, if any, in the following chart. If none, **skip to 3.3.3.**

None. **skip to 3.3.3.**

<input type="checkbox"/> Other. Describe:	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

b) Methods used to customize quality improvement supports to the needs of individual programs include:

- Program improvement plans
- Technical assistance on the use of program assessment tools
- Other.

Describe:

Child Care Resource & Referral Agencies each employ an Infant/ Toddler Specialist and two Early Childhood Specialist. Each Infant/ Toddler and Early Childhood Specialist is required to have two to three sites (Family Child Care, Group Homes, or Child Care Center) that they provide on-going technical assistance to over the course of one year.

Child Care Resource & Referral Agencies are starting to provide more general technical assistance to all types of care. As programs contact the CCR&R agency they are going out and providing TA to help providers improve the quality of care.

c) Is technical assistance linked to entering the QRIS or targeted to help programs forward on QRIS?

Yes.
Describe:

No
 Other.
Describe:

3.3.3 Element 3 - Financial Incentives and Supports

Definition - For purposes of this section, financial incentives refers to the types of monetary supports offered to programs in meeting and sustaining licensing and QRIS or other child care quality improvement standards for programs.

Effective Date: 01-OCT-13

 a) Identify which types of financial incentives are offered and to which providers in the following chart. Check which incentives and supports, if any, the State/Territory chooses to offer. If none, **skip to 3.3.4.**

None. **skip to 3.3.4.**

Types of Financial Incentives and Supports for Programs	Child Care Centers	Child Care Homes	License-Exempt Providers
<input checked="" type="checkbox"/> Grants to programs to meet or maintain licensing	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

<input type="checkbox"/> Tax credits tied to meeting program quality standards	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/> Other. Describe:	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

3.3.4 - Element 4 - Quality Assurance and Monitoring

Definition - For purposes of this section, quality assurance and monitoring refers to the ways that the State/Territory measures program quality for the purposes of its QRIS or other quality improvement system and the methods for measuring that the child care quality improvement standards for programs are met initially and maintained over time.

Effective Date: 01-OCT-13

 a) What tools, if any, does the State/Territory use to measure and monitor the quality of programs? Check all that apply and briefly describe using the chart below, including which programs are required to participate and the frequency of assessments. **If none, skip to 3.3.5.**

None. **skip to 3.3.5.**

Types of Program Quality Assessment Tools	Child Care Centers	Child Care Homes	License-Exempt Providers
<input type="checkbox"/> Environment Rating Scales (e.g., ECERS, ITERS, SACERS, FDCRS) Describe, including frequency of assessments. <input type="text"/>	<input type="checkbox"/> Infant/Toddler <input type="checkbox"/> Preschool <input type="checkbox"/> School-Age	<input type="checkbox"/>	<input type="checkbox"/>

<input type="checkbox"/> Classroom Assessment Scoring System (CLASS) Describe, including frequency of assessments. <input type="text"/>	<input type="checkbox"/>	N/A	<input type="checkbox"/>
<input type="checkbox"/> Program Administration Scale (PAS) for child care centers or Business Administration Scale (BAS) for family child care homes Describe, including frequency of assessments. <input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/> Customized instrument, including submission of written documentation, developed for State/Territory quality improvement system. This may include instruments developed for quality improvements in 21st Century Learning Center programs Describe, including frequency of assessments. <input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input checked="" type="checkbox"/> Other. Describe: Paper Documentation sent in and reviewed by State Agency Staff	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

b) What steps, if any, has the State/Territory taken to align quality assurance and monitoring across funding streams and sectors in order to minimize duplication?

- Have a mechanism to track different quality assessments/monitoring activities to avoid duplication
- Include QRIS or other quality reviews as part of licensing enforcement
- Have compliance monitoring in one sector (e.g., Head Start/Early Head Start, State/Territory pre-k) serve as validation for compliance with quality improvement system (e.g., QRIS) without further review
- Have monitoring for meeting accreditation standards serve as validation for compliance with quality improvement system (e.g., QRIS) without further review
- Other.
Describe:

None.

3.3.5 - Element 5 - Outreach and Consumer Education

Definition - For purposes of this section, outreach and consumer education refers to the strategies used to promote the child care quality improvement standards to parents, programs and the general public.

Effective Date: 01-OCT-13

 a) Does the State/Territory use symbols or simple icons to communicate levels of quality for child care programs beyond what may communicated to parents about licensing status and licensing compliance as reported in 3.1.3? (e.g. stars, or gold/silver/bronze levels).

Yes. If yes, how is it used?

Resource and referral/consumer education services use with parents seeking care

Parents enrolling in child care subsidy are educated about the system and the quality level of the provider that they are selecting

Searchable database on the web

Voluntarily, visibly posted in programs

Mandatory to post visibly in programs

Used in marketing and public awareness campaigns

Other.

Describe:

No. If no, **skip to 3.3.6.**

b) Does the State/Territory use any forms of media to reach parents and the public to communicate about levels of quality for child care programs? Check which forms, if any, the State/Territory uses to communicate levels of quality for child care programs.

Print

Radio

Television

Web

Telephone

Social Marketing

Other.

Describe:

None.

c) Describe any targeted outreach for culturally and linguistically diverse families.

3.3.6. Quality Rating and Improvement System (QRIS)

Effective Date: 01-OCT-13

 a) **Based on the five key elements of a QRIS described above in 3.3.1 through 3.3.5**, does your State/Territory have a quality rating and improvement system (QRIS) or similar quality improvement system in place?

Yes, the State/Territory has a QRIS or similar quality improvement system that includes linked activities in all five elements operating State/Territory-wide.

Participation is voluntary for:

Participation is mandatory for:

Yes, the State/Territory has a QRIS or similar quality improvement system that includes linked activities in all five elements operating as a pilot or in a few localities but not State/Territory-wide.

No, the State/Territory does not have a QRIS or similar quality improvement system that includes linked activities in all five elements.

State/Territory is in the development phase

State/Territory has no plans for development

Other.

Describe:

b) If yes to 3.3.6a, **CHECK** the types of providers eligible to participate in the QRIS:

Child care centers

Group child care homes

Family child care homes

In-home child care

License exempt providers

Early Head Start programs

Head Start programs

Pre-kindergarten programs

School-age programs

Other.

Describe:

3.3.7. If the State/Territory has or will have any quality improvement strategies for targeted groups of providers (e.g., relative caregivers or caregivers who are legally exempt from licensing) that are not described in your responses to any question in section 3.3 above,

Effective Date: 01-OCT-13

please describe:

3.3.8 Data & Performance Measures on Program Quality (Click for additional instructions)

Effective Date: 01-OCT-13

a) Data on program quality. Indicate if the Lead Agency or another agency has access to data on:

Data on the quality level for individual programs (e.g. QRIS level) as defined by your State/Territory.

Describe(optional)

Number of programs that move program quality levels annually (up or down).

Describe(optional)

[Lead Agency keeps electronic records of changes to programs quality tier levels](#)

Other.

Describe:

None.

b) **Performance measurement.** What, if any, are the Lead Agency's performance measures on program quality?

[Programs are required to submit Paper documentation to indicate their quality tier level.](#)

c) **Evaluation.** What, if any, are the State/Territory's plans for evaluation related to program quality? Evaluation can include efforts related to monitoring implementation of an initiative, validation of standards or assessment tools, or looking at outcomes in programs or the system and may be ongoing or conducted periodically.

[Onsite monitoring of programs moving up quality levels](#)

3.3.9 Goals for the next Biennium -

In this section, Lead Agencies are asked to identify at least one goal for the upcoming biennium. Lead Agencies are encouraged to include measurable and achievable goals. Lead Agencies may include existing goals (e.g., already identified in a State strategic plan or established by the Governor for a Lead Agency). ACF will target technical assistance efforts to help Lead Agencies achieve their goal(s). Lead Agencies are not required to establish a goal for each sub-section in 3.3. What are the State/Territory's goals for the program quality improvement system in the coming biennium? What progress does the State/Territory expect to make across the five key elements for quality improvement systems?

Effective Date: 01-OCT-13

Goal #1:

[Approve the quality standards that have been aligned with national benchmarks, including program standards and quality assurance across sectors, and then promulgated through the legislature.](#)

3.4 Pathways to Excellence for the Workforce - Professional Development Systems and Workforce Initiatives (Component #4)

Pathways to excellence for the workforce builds on the significant investments States and Territories have made in the area of professional development systems to ensure a

well-qualified workforce with opportunities for growth from entry level through master teacher, with an increasing emphasis on the many additional roles in the child care system (e.g. adult educators such as consultants, technical assistance providers, trainers, and higher education faculty). In this section, States and Territories provide a self-assessment on current professional development and workforce activities and describe their goals for the upcoming Biennium.

For purposes of this section, States and Territories will respond according to five key elements for workforce systems:

- 1) Core Knowledge and Competencies
- 2) Career Pathways (or Career Lattice)
- 3) Professional Development Capacity
- 4) Access to Professional Development
- 5) Compensation, Benefits and Workforce Conditions

Effective Date: 01-OCT-13

a) Describe which entities are involved in planning and administering the activities in Section 3.4, including State/Territory entities and local or community level entities.

West Virginia IDEA Part C; Child Care providers; Head Start providers; Head Start Collaboration Office; West Virginia Department of Health and Human Resources; Child Care Resource and Referral; In-home Parent Education Program; Child Care Apprenticeship staff; West Virginia Statewide Afterschool Network; West Virginia Department of Labor; West Virginia T.E.A.C.H.; West Virginia state registry staff.

3.4.1 Workforce Element 1 - Core Knowledge and Competencies

Definition - For purposes of this section, core knowledge and competencies (CKCs) refers to the expectations for what the workforce should know (content) and be able to do (skills) in their role working with and/or on behalf of children and their families. These CKCs provide a foundation for professional development design (including instructional practices) and other quality improvement efforts.

Effective Date: 01-OCT-13

a) Has the State/Territory developed core knowledge and competencies (CKCs) for practitioners working with and/or on behalf of children?

Yes

No, the State/Territory has not developed core knowledge and competencies. **Skip to question 3.4.2.**

Other.

Describe:

If yes, insert web addresses, where possible:

http://www.wvearlychildhood.org/resources/Core_Compencies.pdf

b) Check which of the following teaching and learning topics, if any, are covered in the CKCs.

Child growth, development and learning

Health, nutrition, and safety

Learning environment and curriculum

Interactions with children

Family and community relationships

Professionalism and leadership

Observation and assessment

Program planning and management

Diversity

Other.

Describe:

None.

c) Are the CKCs incorporated into other parts of the child care system? Check which ways, if any, the State/Territory incorporates its CKCs into other parts of the child care system.

To define the content of training required to meet licensing requirements

To define the content of training required for program quality improvement standards

(as reported in section 3.3)

To define the content of training required for the career lattice or credential

To correspond to the early learning guidelines

To define curriculum and degree requirements at institutions of higher education

Other.

Describe:

None.

d) Are the CKCs aligned with other State/Territory or national standards? Check which ways, if any, the State/Territory aligns its CKCs with other standards.

- Cross-walked with the Child Development Associate (CDA) competencies
- Cross-walked with national teacher preparation standards (e.g., NAEYC standards for early childhood professional preparation, National Board of Professional Teaching Standards, National Council for Accreditation of Teacher Education/Council for the Accreditation of Educator Preparation, Head Start SOLAR staff skills indicators)

Cross-walked with apprenticeship competencies

Other.

Describe:

None.

e) Check for which roles, if any, the State/Territory developed supplemental or specialized competencies.

Staff working directly with children in centers, including aides, assistants, teachers, master teachers.

Describe:

Providers working directly with children in family child care homes, including aides and assistants.

Describe:

Administrators in centers (including educational coordinators, directors).

Describe:

Technical assistance providers (including mentors, coaches, consultants, home visitors, etc.).

Describe:

[WV has developed cross-sector specialized competencies for professionals in the early childhood field that will provide technical assistance to providers.](#)

Education and training staff (such as trainers, CCR&R staff, faculty).

Describe:

Other.
Describe:

None.

f) Check if the State/Territory has developed any supplemental or specialized competencies for practitioners/providers working with the following ages.

Birth-to-three
 Three-to-five
 Five and older
 Other.
Describe:

None.

3.4.2 Workforce Element 2 - Career Pathways

Definition - For purposes of this section, career pathways (or career lattice) defines the options and sequence of qualifications and ongoing professional development to work with children. Career pathways assist professionals in understanding their career options and identify steps for advancement for the workforce recognizing and rewarding higher levels of preparation and mastery of practice to promote higher quality services for children.

Effective Date: 01-OCT-13

 a) Does the State/Territory have a career pathway which defines the sequence of qualifications related to professional development (education, training and technical assistance) and experience required to work with children?

Yes.

Describe:

The career pathway begins with practitioners who are at least 16 years of age and enrolled in High School or in a GED program. The pathway continues to advanced degrees, including Master's and

No, the State/Territory has not developed a career pathway. **Skip to question 3.4.3.**

Insert web addresses, where possible: www.wvearlychildhood.org/WV_STARS.html

b) Check for which roles, if any, the career pathway (or lattice) include qualifications, specializations or credentials.

Staff working directly with children in centers, including aides, assistants, teachers, master teachers.
Describe:

Providers working directly with children in family child care homes, including aides and assistants.
Describe:

Administrators in centers (including educational coordinators, directors).
Describe:

Technical assistance providers (including mentors, coaches, consultants, home visitors, etc.).
Describe:

Education and training staff (such as trainers, CCR&R staff, faculty).
Describe:

Other.
Describe:

None.

c) Does the career pathway (or lattice) include specializations or credentials, if any, for working with any of the following children?

Infants and toddlers

Preschoolers

School-age children

Dual language learners

Children with disabilities, children with developmental delays, and children with other special needs

Other.

Describe:

None.

d) In what ways, if any, is the career pathway (or lattice) used?

Voluntary guide and planning resource

Required placement for all practitioners and providers working in programs that are licensed or regulated in the State/Territory to serve children birth to 13

Required placement for all practitioners working in programs that receive public funds to serve children birth to 13

Required placement for adult educators (i.e., those that provide training, education and/or technical assistance)

Required placement for participation in scholarship and/or other incentive and support programs

Required placement for participation in the QRIS or other quality improvement system

Other.

Describe:

Required for all child care center staff, not required in group homes or family child care homes.

None.

e) Are individuals' qualifications, professional development, and work experience verified prior to placement on the career pathway (or lattice)?

Yes.

If yes, describe:

Individuals qualifications and professional development are verified. Work experience is included on resume, but not verified.

No.

3.4.3 Workforce Element 3 - Professional Development Capacity

Definition - For purposes of this section, professional development incorporates higher education, training and technical assistance. Higher education capacity refers to capability of the higher education system to meet the needs of the diverse workforce including the provision of content that addresses the full range of development and needs of children. Training and technical assistance capacity refers to capability of the training and technical assistance system to meet the needs of the diverse workforce including the provision of content that addresses the full range of development and needs of children. Early childhood includes infants, toddlers and preschoolers.

Effective Date: 01-OCT-13

 a) Has the State/Territory assessed the availability of degree programs in early-childhood education, school-age care or youth development, and related fields in the State/Territory (e.g., both physical location and distance-based, accessibility to practitioners, etc.)?

Yes.

If yes, describe:

No.

 b) Has the State/Territory assessed the availability of early-childhood and school-age and related training and technical assistance programs in the State/Territory (e.g., both physical location and distance-based, degree level, etc.)?

Yes.

If yes, describe:

No.

c) What quality assurance mechanisms, if any, are in place for the degree programs and courses offered by the State/Territory institutions?

- Standards set by the institution
- Standards set by the State/Territory higher education board
- Standards set by program accreditors
- Standards set by State/Territory departments of education
- Standards set by national teacher preparation accrediting agencies
- Other.

Describe:

None.

d) What quality assurance mechanisms, if any, are in place for the training and technical assistance programs offered by the State/Territory?

Training approval process.

Describe:

e) Does the State/Territory have articulation agreements in place across and within institutions of higher education?

Yes.

If yes, describe:

[The Apprenticeship for Child Development Specialist credential issued from the US Department of Labor will articulate to college credit at all Community & Technical Colleges.](#)

[The West Virginia Infant Toddler Professional Development Program will articulate to college credit currently at one community and technical college.](#)

[The two major universities in the state, West Virginia University and Marshall University, have](#)

agreements with some of the community and technical colleges for 2+2 articulation.

No.

f) Does the State/Territory have articulation agreements that translate training and/or technical assistance into higher education credit?

Yes.

If yes, describe:

The Apprenticeship for Child Development Specialist credential issued from the US Department of Labor and the West Virginia Infant Toddler Professional Development Program both articulate to college credit.

No.

3.4.4 Workforce Element 4 - Access to Professional Development

Definition - For purposes of this section, access to professional development (training, education and technical assistance) refers to the degree to which practitioners are made aware of, and receive supports and assistance to utilize, professional development opportunities.

Effective Date: 01-OCT-13

 a) Does the State/Territory have professional development opportunities accessible for professionals in various or all sectors of the early childhood and school-age field?

Yes. If yes, for which sectors?

Child care

Head Start/Early Head Start

Pre-Kindergarten

Public schools

Early intervention/special education

Other.

Describe:

Foster Families

No.

b) Does the State/Territory have a State/Territory-wide, coordinated and easily accessible clearinghouse of information about professional development opportunities available to all members of the early childhood and school-age workforce? Lead Agencies are not required to have a professional development system, but States/Territories may develop such clearinghouses to promote access to professional development opportunities.

Yes.

If yes, describe:

State training calendar on West Virginia Early Childhood Training Connections and Resources (WVECTCR) website. WVECTCR is a jointly funded project of IDEA Part B, IDEA Part C, ECCS Grant, Homevisitation, Head Start Collaboration Office, and West Virginia Department of Health and Human Resources.

No.

Insert web addresses, where possible: http://www.wvearlychildhood.org/Training_Calendar.html

c) What supports, if any, does the State/Territory provide to promote access to training and education activities?

Scholarships.

None.

d) Does the State/Territory have career advisors for early childhood and school-age practitioners?

Yes.

If yes, describe:

No.

e) Does the State/Territory have mentors, coaches, consultants, and/or other specialists available to provide technical assistance to the workforce?

Yes.

If yes, describe:

The WV DHHR Division of Early Care and Education works with CCR&R agencies to assist Early Childhood Teams regarding the provision of mentoring and technical assistance to the early childhood workforce.

No.

3.4.5 Workforce Element 5 - Compensation, Benefits and Workforce

Conditions Definition - For purposes of this section, rewards for education and training refers to any financial supports provided to practitioners for participating in and completing education or training or for increasing compensation.

Effective Date: 01-OCT-13

a) Does the State/Territory have a salary or wage scale for various professional roles?

Yes.

If yes, describe:

No.

b) Does the State/Territory provide financial rewards for participation in professional development, such as one-time salary bonuses for completing a training or education program?

Yes.

If yes, describe:

The Apprenticeship for Child Development Specialist requires programs to give journey person a raise at the completion of the program. T.E.A.C.H. WV requires that programs provide either a bonus or raise at the end of each contract.

No.

 c) Does the State/Territory provide sustained financial support on a periodic, predictable basis, such as annual wage supplements, based on the highest level of training and education achieved?

Yes.

If yes, describe:

No.

d) Does the State/Territory have a program to offer or facilitate benefits (e.g. health insurance coverage, retirement, etc.) to the workforce?

Yes.

If yes, describe:

No.

3.4.6 Data & Performance Measures on the Child Care Workforce - What data elements, if any, does the State/Territory currently have access to related to the child care workforce? What, if any, does the State/Territory use for performance measures on professional development and workforce initiatives? The purpose of these questions is for Lead Agencies to provide a description of their capacity to provide information, not to require Lead Agencies to collect or report this information. For any data elements checked in (a) below, Lead Agencies may provide an optional description about the data they have access to (e.g., the Lead Agency may have data for only licensed programs, only programs caring for children receiving CCDF subsidies, only providers participating in quality improvement systems, or only for certain age groups (e.g., infants and toddlers or school-age children)).

Effective Date: 01-OCT-13

a) Data on the child care workforce. Indicate if the Lead Agency or another agency has access to data on:

Data on the size of the child care workforce.

Describe (optional):

Data on the demographic characteristics of practitioners or providers working directly with children.

Describe (optional):

Records of individual teachers or caregivers and their qualifications.

Describe (optional):

b) Does the State/Territory have a workforce data system, such as a workforce registry, which tracks workforce demographics, compensation, and qualifications and ongoing professional development for practitioners working with children birth to age 13?

Definition - For purposes of this section, a workforce data system refers to a system, such as a workforce registry, that tracks the size and characteristics of the child care workforce, including longitudinal data to monitor changes over time. The data system also can produce records to validate and verify qualifications or ongoing professional development for licensing, accreditation, QRIS, wage incentives, and credentials.

Yes.

b-1) If yes, which roles are included in the workforce data system? For each role checked, indicate in your description whether participation is voluntary or mandatory.

Staff working directly with children in centers, including aides, assistants, teachers, master teachers.

Describe:

Providers working directly with children in family child care homes, including aides and assistants.

Describe:

Administrators in centers (including educational coordinators, directors).

Describe:

Technical assistance providers (including mentors, coaches, consultants, home visitors, etc.).

Describe:

Education and training staff (such as trainers, CCR&R staff, faculty).

Describe:

Other.

Describe:

None.

b-2) Does the workforce data system apply to:

all practitioners working in programs that are licensed or regulated by the State/Territory to serve children birth to 13?

all practitioners working in programs that receive public funds to serve children birth to age 13?

No.

c) **Performance measurement.** What, if any, performance measures does the State/Territory use related to its workforce and professional development systems?

The Lead Agency is able to track information related to the professional development of child care center staff (i.e. number of training hours, level on career ladder). Family child care homes and group homes are not required to participate in the professional development registry.

d) **Evaluation.** What, if any, are the State/Territory's plans for evaluation related to its workforce and professional development systems? Evaluation can include efforts related to monitoring implementation of an initiative, validation of standards or assessment tools, or looking at outcomes in programs or the system and may be ongoing or conducted periodically.

None

3.4.7 Goals for the next Biennium -

In this section, Lead Agencies are asked to identify at least one goal for the upcoming biennium and are encouraged to identify no more than five priority goals total. ACF will target technical assistance efforts to help Lead Agencies achieve their goal(s). Lead Agencies may include existing goals (e.g., already identified in a State strategic plan or established by the Governor for a Lead Agency). Lead Agencies are not required to establish a goal for each sub-section in 3.4. Lead Agencies will report progress and updates on these goals in the annual Quality Performance Report (Appendix 1), including any barriers encountered.

What are the State/Territory's goals for the building the professional development system and improving conditions for the workforce in the coming biennium? What progress does the State/Territory expect to make across the five key elements for the workforce and professional development system described above?

Note -When identifying your goals below, Lead Agencies are encouraged to begin with an action verb reflecting the desired result over the two year period (e.g., Increase, Improve, Build, Align, Implement, Review, Revise, Streamline, Expand, etc.)

Effective Date: 01-OCT-13

Goal #1:

Assessment of the capacity of the state's two- and four-year institutions of higher education.
