

Change the Future WV Convenience Store Agreement

I, Lori Richards ^{Treasurer} owner of convenience store Mini-Grant #3
agree to participate as a member of the Change the Future WV Fresh Fruit and Vegetable Initiative.

As a member of the initiative I agree to:

- Allow the Change the Future WV staff to post Change the Future WV signage within the store and will allow the signage to remain for at least two years
- Introduce or expand the sale of fresh fruits and/or vegetables and continue to carry these new items for at least two years
- Provide contact information for records including store name, name of owner, store address and store phone number
- Collect sales data of the fresh fruits and/or vegetables for a period of six months after signage placed
- Allow a quick walkthrough of the store by Change the Future WV staff to note basic information about store size, inventory, equipment and signage

The Change the Future WV Initiative agrees to:

- Provide signage, bins, and/or refrigeration unit to the participating store
- Negotiate cost break from produce supplier to provide fresh fruit and/or vegetables to store
- Place welcome advertisement in local paper for one month after agreement signed
- Provide training and support to help introduce products and the marketing campaign described above, free of cost

Change the Future WV and the convenience store owner each have the right to end this agreement. If the agreement is ended, Change the Future WV may repossess any materials provided.
