

WHO?

Families of children and youth ages 0-25 with mental health disorder, substance-use disorder, and/or co-occurring disorders.

WHAT?

Referral for services, parental training and help facilitating family support groups.

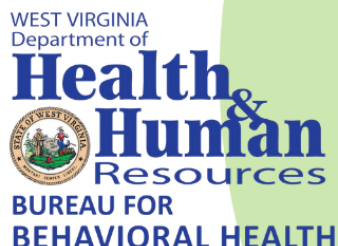

WHERE & WHEN?

Services are offered at your local mental health service center and are even offered during non-traditional service hours.

One size doesn't fit all. We can help you develop a plan that will best support your family and their individual needs.

Regional Family Coordinator services are funded by the Substance Abuse and Mental Health Services Administration (SAMHSA) and the West Virginia Department of Health and Human Resources, Bureau for Behavioral Health.

REGIONAL FAMILY COORDINATORS
Reaching Peaks Together

ABOUT US

Regional Family Coordinators work to provide resources in communities around the state to help enable families to care for a variety of needs, to enhance the quality of life for every family and provide families with the supports they need to become even more resilient.

The approach to helping you is **family-driven and youth-guided**. All efforts to support your family are **community-based**.

HAVE QUESTIONS?

Do you need assistance navigating the school system?

Do you or your family need to know where to receive assistance with substance use disorder?

Do you need help with your child's behavioral challenges?

Would you like to participate in a parental support group?

Can you or your family members benefit from counseling?

WE HAVE ANSWERS

Family Coordinators work with you to refer you and your family to services that can help with a variety of issues.
