<b><u>About this report:</u></b>							
Positives are current and not cumulative.							
<b>Total:</b> cumulative tests; refers to number of tests performed and completed, NOT the number of inmates or residents tested as some may have multiple samples taken.							
<b>Pending:</b> all inmates/residents awaiting test results remain in medical isolation.							
<b>Quarantine:</b> inmates/residents NOT showing symptoms but separated because they are new intakes, back from a hospital for unrelated reasons, etc.							
<i>The testing of adult inmates and juvenile residents reflects decisions by DCR leadership and facility medical providers, following appropriate guidance and in collaboration with state and local public health authorities.</i>							
<b>* Pending employee test figure updated from earlier June 3 report.</b>
