<b>About this report:</b> *A prior version of this report assigned the wrong population totals to several correctional (prison) and juvenile facilities. **Active cases corrected												
Inmates are adults in prisons, jails and work-release facilities. HCC and MOCC figures include their satellite work camps. Residents are youths in Juvenile Services facilities.												
Employees: all categories except staffing totals include contract and other non-state staff. Confirmed and recovered totals also reflect off-site testing when reported to DCR; categories otherwise reflect testing at facilities. Non-facility employees include parole officers and Central Office personnel.												
Active cases: current positive cases. All positive individuals are placed in isolation.												
Recovered cases: reflects CDC guidance, and for employee cases are determined by the facility's local health department.												
Positive test results: reflects the cumulative number of positive results and not the number of infected inmates, as positive inmates may be tested multiple times.												
Results pending: all symptomatic inmates and residents awaiting test results remain in isolation.												
Cumulative tests administered reflects the running total of tests performed and completed; an individual inmate or resident may be tested more than once.												
Quarantine: inmates/residents NOT showing symptoms but separated because they are new intakes, back from a hospital for unrelated reasons, etc.												
Testing reflects decisions by DCR leadership and facility medical providers, following appropriate guidance and in collaboration with state and local public health authorities.												
Staff deaths: LCC: 1; NRJ: 1; SMCC: 1.												
Confirmed inmate deaths: HCC: 4; MOCC: 8; NCF: 1; SMCC: 8; SCRJ: 1; SWRJ: 1. Deaths of positive inmates are not included in this tally when medical opinion does not conclude COVID-19 caused or contributed to the death, or when further medical determination is pending. Deaths with further info pending: ERJ, 1; MOCC, 3; SCRJ, 1; SMCC, 2; SRJ, 1.
