

West Virginia

# HealthCheck

**Did you know you need  
to see the doctor,  
even when you are not sick?**

**Regular check-ups can  
detect health problems  
early and in some  
cases, prevent health  
problems from  
occurring.**

---

**Talk to your doctor  
today about  
scheduling a visit or  
call 1-800-642-9704.**
