## INFORMATION UPDATE

---

**TO:** WVBCSP Screening Providers

**FROM:** Charlene Hickman, Director  
WVBCSP/WISEWOMAN

**DATE:** December 8, 2023

**RE:** Sliding Fee Scale

Beginning June 30, 2024, the program will no longer provide sliding fee scale information because it does not pertain to BCCSP. Please ensure that billing and all other appropriate personnel are aware that patients should not be billed for any services provided through this program. If you are unsure as to whether the program will pay for a service, please contact the BCCSP office prior to performing the service.

Patients should not be billed for screening and diagnostic services through BCCSP as the purpose of the BCCSP is to provide free screening and diagnostic services to low-income, uninsured and underinsured women. The sliding fee scale is not for use with BCCSP.
