

West Virginia Department of Human Services Tiered Reimbursement Application for West Virginia Child Care Centers

A tiered reimbursement system offers higher subsidy payments to programs that demonstrate they meet higher standards of care. Programs may apply for Tier II or Tier III reimbursement rates if specific higher quality standards are met. Programs that meet Tier II standards receive \$3.00 extra daily and programs that are accredited receive \$6.00 extra daily per child. The following table shows the difference in payment rates:

Rate Type	Infant (0-24 Months) Day	Toddler (25-36 Months) Day	Pre-School (37-59 Months) Day	School-Age (60 Months and Up) Day
Tier I	\$39	\$37	\$35	\$32
Tier II	\$42	\$40	\$38	\$35
Tier III – National Accreditation	\$45	\$43	\$41	\$38

Tier I Rates

If you are licensed as a center, you are a Tier I provider and receive Tier I rates through the childcare subsidy program.

Tier II Rates

To be eligible for Tier II, you must document that you meet the additional standards which are attached. Your program must have a regular 2-year operating license (not a provisional or initial license) and must enroll children who receive subsidies for care. Programs must have been in operation for a minimum of one year. A Tiered Reimbursement application form is attached and must be completed and submitted with the required documentation in order to be eligible to receive the Tier II rates.

Application submission does not guarantee approval of Tier II.

Tier II Application Instructions

- Providers may submit the documentation material in one of two formats:
 - You may create a flash drive with documentation material for each standard. Each item of documentation should be saved as the category name followed by the documentation number to which it applies. For example, the business plan for your program will be saved on the flash drive as "Administration and Management #1."
 - You may also create a validation notebook using a three-ring binder divided into the seven sections of tiered standards with all documentation in the appropriate section. Each item of documentation should be labeled in red in the upper right-hand corner with the corresponding number. For example, a copy of your program's business plan will be labeled with a red "1" on the upper right-hand corner under the "Administration and Management" section.
- Please label the front of your documentation notebook with your name and/or the name of your program.
- The required documentation must accompany this form and will be used to validate Tier II Reimbursement status.
- All documentation must be current and dated annually.
- Qualified staff refers to staff members who have a high school diploma or GED and meet the requirements for the position of director, assistant director, lead teacher, teacher, assistant teacher or teaching assistant (as defined in the WV Child Care Center Licensing Regulations §78-1-9).
- Tier II training requirements must be met with training that is registered with WV STARS or approved by your licensing specialist. Applicable Early Childhood Education or Child Development courses completed at accredited colleges or universities are also acceptable.

West Virginia Department of Human Services Tiered Reimbursement Application for West Virginia Child Care Centers

- Programs that have been approved for Tier II Reimbursement will be required to submit validation materials annually, with accurate and updated documentation materials.
- Keep a copy of this application and supporting documentation for your records. Material that is submitted to the West Virginia Department of Human Services (Department), Division of Early Child Care and Education will not be retained after review. Any Department employee may come to your program to check your validation material at any time.
- The Division of Early Care and Education has 60 days from the date your application is received to approve or deny your application. You will receive a written notification of the action taken on your application. Once an application is approved, the new rate becomes effective the first day of the following month.

Tier III

To be eligible for Tier III, you must be nationally accredited. At present, centers may be accredited by either the Council on Accreditation or the National Association for the Education of Young Children. Please note that only the highest level (Accreditation+) of the NAEYC Accreditation model (new accreditation model went into effect March 1, 2025) is eligible for Tier III status. For more information on these accrediting bodies, you may contact:

National Association for the Education of Young Children

Tier III Application Instructions

Childcare programs that are accredited and are not already receiving Tier III reimbursement rates must submit the attached application form and a copy of the certificate of accreditation from one of the above accrediting bodies to the address below. If you lose your accreditation status, you must immediately notify the Division of Early Care and Education in writing either by e-mail or regular mail, as you will no longer be eligible for the increased payment rates.

VIII. CERTIFICATIONS

1. Access to Monitor Documentation File: The childcare provider shall fully cooperate and assist the West Virginia Department of Human Services (Department) or its representative(s) with respect to the monitoring responsibilities and activities deemed necessary and appropriate by the Department at its sole discretion. The childcare provider shall allow for the performance of onsite monitoring reviews by the Department or its representative(s), and agrees to provide any technical assistance, reports, records, documentation and to comply with all requests for information as deemed necessary and appropriate by the Department, at its sole discretion, to fulfill its monitoring responsibilities and objectives. The Department or its authorized representative(s) shall be given full and complete access to all information and personnel related to the performance of this agreement to ensure that program activities and cost are consistent with goals and objectives of the Department.

The Department and its Inspector General, State Auditors, program monitors, or any duly authorized representatives have the right of timely and unrestricted access to any books, documents, papers, or other records of the childcare provider, in order to make audits, examinations, excerpts, transcripts and copies of such documents.

2. Self-Certifying Statements

The following are additional Tier II Standards not requiring documentation at this time; please sign below to certify compliance with these standards:

- I attest that the outdoor play space for my childcare program includes an area that provides protection from sunlight.
- I attest that the bathrooms in my childcare program utilize barriers as a safety measure to prevent entry of infants and toddlers into the area.
- I attest that my childcare program allows children to become familiar with print through items labeled with names, materials labeled in classrooms, print used to describe rules and routines, and print connected to spoken words.
- I attest that teachers in my childcare program organize space to offer infants opportunities to play individually, in pairs, and in small groups on a regular basis.
- I attest that teachers in my childcare program support and encourage children in learning to participate in daily cleanup of the classrooms at my center.
- I attest that teachers in my childcare program interact and engage with children in the learning centers at my program.
- I attest that my childcare program provides a clearly defined and designated place for families to gather information on the daily schedule and upcoming events, and where families can sign in and out and gather information on the child's day.

I, _____, hereby certify that my childcare program meets the quality standards required for Tier II or Tier III of the *Child Care Center* Tiered Reimbursement System. I further certify that I will continue to meet the quality standards in addition to West Virginia Licensing Requirements. I understand that my program is subject to on-site inspection at any time, and that failure to maintain the quality standards or to maintain the required documentation on site will result in the loss of the extra per day per child reimbursement provided as an incentive for meeting higher quality standards.
