Re: West Virginia’s Home and Community-Based Services Aged and Disabled Waiver, CMS Control Number, WV.0134.R06.02

Dear Commissioner Beane:

I am pleased to inform you that the Centers for Medicare & Medicaid Services (CMS) has approved your request to amend West Virginia’s Medicaid Home and Community Based Services (HCBS) Aged and Disabled Waiver. The CMS Control Number for the amendment is WV.0134.R06.02. Please refer to this number in all future correspondence regarding this amendment.

This amendment adds 650 additional unduplicated participants for Waiver Year 4 and 5 (FY19 and FY20). This amendment also revises the spousal impoverishment language to indicate in the case of a participant with a community spouse, the state uses spousal post-eligibility rules under §1924 of the Act. After December 31, 2019 (or other date as required by law), spousal impoverishment rules under §1924 of the Act are used to determine the eligibility of individuals with a community spouse for the special home and community-based waiver group. In the case of a participant with a community spouse, the state elects to use spousal post-eligibility rules.

Estimated expenditures demonstrate that the waiver will remain cost neutral for each waiver year, as reflected in the estimates below. The effective date of this amendment is 07/01/2018.
