<u>Number</u>	<u>Date Received</u>	<u>Comment</u>	<u>Status Result</u> <u>Change/No Change: Explain</u>
1	9/22/23	Make the TBIW White DSH2 process like the ADW process by having the UMC submit to the DHHR for enrollment.	<u>Change:</u> When a TBIW eligible applicant is awarded a funded slot, the Utilization Management Contractor (UMC) will generate the White DHS-2 and send to the county DHHR office and will complete the enrollment process. The UMC will inform the selected TBIW providers or the F/EA when the enrollment is complete.
2	9/22/23	Please add a service code to cover the personal attendant agency's participation in the member's service planning meetings, member-specific training of personal attendants, and review of personal attendant documentation. The other waiver programs have a billable code for these activities.	<u>Change:</u> A new code will be added to allow a qualified staff from the personal attendant agency to bill for these activities.
