3. The state deems as eligible those individuals who became otherwise ineligible for Medicaid while enrolled in an HMO qualified under Title XIII of the Public Health Service Act, or a managed care organization (MCO), or primary care case management (PCCM) program, but who have been enrolled in the entity for less than the minimum enrollment period listed below. Coverage under this section is limited to MCO or PCCM services and family planning services described in section 1905(a)(4)(C) of the Act.

The state elects not to guarantee eligibility.

The state elects to guarantee eligibility. The minimum enrollment period is month (not to exceed six).

The state measures the minimum enrollment period from:

[ ] The date beginning the period of enrollment in the MCO or PCCM, without any intervening disenrollment, regardless of Medicaid eligibility.

[ ] The date beginning the period of enrollment in the MCO or PCCM as a Medicaid patient (including periods when payment is made under this section), without any intervening disenrollment.

[ ] The date beginning the last period of enrollment in the MCO or PCCM as a Medicaid patient (not including periods when payment is made under this section) without any intervening disenrollment or periods of enrollment as a privately paying patient. (A new minimum enrollment period begins each time the individual becomes Medicaid eligible other than under this section).

The Medicaid Agency may elect to restrict the disenrollment of Medicaid enrollees of MCOs, PIHPs, PAHPs, and PCCMs in accordance with the regulations at 42 CFR 438.56.

This requirement applies unless a recipient can demonstrate good cause for disenrolling or if he/she moves out of the entity's service area or becomes ineligible.

- Disenrollment rights are restricted for a period of ____ months (not to exceed 12 months).

During the first three months of each enrollment period the recipient may disenroll without cause. The State will provide notification, at least once per year, to recipients enrolled with such organization of their right to and restrictions of terminating such enrollment.

- X No restrictions upon disenrollment rights.

In the case of individuals who have become ineligible for Medicaid for the brief period described in section 1903(m)(2)(H) and who were enrolled with an MCO, PIHP, PAHP, or PCCM when they became ineligible, the Medicaid agency may elect to reenroll those individuals in the same entity if that entity still has a contract.

- X The agency elects to reenroll the above individuals who are eligible in a month but in the succeeding two months become eligible, into the same entity in which they were enrolled at the time eligibility was lost.

- The agency elects not to reenroll above individuals into the same entity in which they were previously enrolled.

4. A group or groups of individuals who would be eligible for Medicaid under the plan if they were in a NF or an ICF/MR, who but for the provision of home and community-based services under a waiver granted under 42 CFR Part 441, Subpart G would require institutionalization, and who will receive home and community-based services under the waiver. The group or groups covered are listed in the waiver request. This option is effective on the effective date of the State's section 1915(c) waiver under which this group(s) is covered. In the event an existing 1915(c) waiver is amended to cover this group(s), this option is effective on the effective date of the amendment.
