Except as provided in items 2.1(b)(2) and (3) below, individuals are entitled to Medicaid services under the plan during the three months preceding the month of application, if they were, or on application would have been, eligible. The effective date of prospective and retroactive eligibility is specified in Attachment 2.6-A.

For individuals who are eligible for Medicare cost-sharing expenses as qualified Medicare beneficiaries under section 1902(a)(10)(E)(i) of the Act, coverage is available for services furnished after the end of the month which the individual is first determined to be a qualified Medicare beneficiary. Attachment 2.6-A specifies the requirements for determination of eligibility for this group.

Pregnant women are entitled to ambulatory prenatal care under the plan during a presumptive eligibility period in accordance with section 1920 of the Act. Attachment 2.6-A specifies the requirements for determination of eligibility for this group.
