Nature of Work

BMS2500009 PSA

Under general supervision, this specialist performs medical/dental/pharmacy claims review and analysis working in coordination and collaboration as part of the management team of BMS servicing approximately 38k children annually in WVCHIP and 550k members in WV Medicaid. This position will be in the key coordinating role, working with the BMS team, third-party administrators and managed care organizations, to make annual revisions to the BMS benefits/policies and reviewing member or provider appeals for claims payments or utilization management determinations in coordination with the BMS medical director and recommending actions, as well as representing BMS at various meetings and conferences.

Job Location: Kanawha County

Position Number: 0511P06367
