

AGED AND DISABLED WAIVER QUALITY IMPROVEMENT ADVISORY COUNCIL

We Need Your Input on the Program

ADW Quality Improvement Advisory Council: The purpose of the Quality Council is to provide guidance and feedback. The Council works with Aged and Disabled Waiver state staff to develop and strengthen the waiver's ability to identify strengths and opportunity for quality improvement. The Council advises, makes recommendations on the program or policies and conducts quality efforts to improve the program. There is a 15-member Council with representation from providers, ADW participants or their legal representatives and advocates. We encourage all to attend who are interested in sharing your input or working on program improvements.
