CM OBSERVATION

Describe the appearance of the person who receives services (e.g., safe, neat, clean) and the condition of the home (e.g., safe, is there food, do they have access to water). Look for presence of dangerous items, including unsecured medications. ENSURE SAFETY CHECK for FOSTER Homes. Is the individual's privacy maintained (locks on the inside of bath and bedrooms)? Were any needs observed? Locks on outside of bedroom doors should be questioned. Case Manager should observe sleeping arrangement, number of individuals residing in the home, signs/symptoms of abuse, if anything is questionable please talk to the child alone. Look to see if the service location is integrated and not isolated.
