Kepro

Kepro will maintain a list of pre-approved internet-based training providers. Currently the following providers are approved and require no advance request for approval for CPR and/or First Aid.

CPR and/or First Aid

American Red Cross - First Aid

http://www.redcross.org/

American Heart Association - First Aid

https://www.heart.org/

American Health & Safety Institute

www.hsi.com

American CPR

www.americancpr.com

National Safety Council

www.nsc.org

EMS Safety

https://www.emssafetyservices.com/

ECSI (Emergency Care and Safety Institute)

https://www.ecsinstitute.org/

ProTrainings

 www.protrainings.com

https://www.relias.com/product/cpr-first-aid-training

KnowCPR

www.KnowCPR.com

*KnowCPR requires hands-on demonstration to successfully pass the course. This requires that mannequins and AED be mailed, and the student have video access such as Zoom, so the student can be observed. Please note, per their website, there is an additional fee for the mannequin and AED to be mailed.
