#### 2015 REVISION--ACTS 2015, CHAPTER 46

<Acts 2015, c. 46 amended and reenacted chapter 49 of the West Virginia Code relating to Child Welfare. Sections 49-1-101 to 49-1-103, enacted by Acts 2015, c. 46, provide:>

<“§ 49-1-101. Short title; intent of recodification>

<“(a) This chapter shall be known and may be cited as the ‘West Virginia Child Welfare Act’.” >

<“(b) The recodification of this chapter during the regular session of the Legislature in the year 2015 is intended to embrace in a revised, consolidated, and codified form and arrangement the laws of the State of West Virginia relating to child welfare at the time of that enactment.>

<“§ 49-1-102. Legislative Intent; continuation of existing statutory provisions; no increase in funding obligations>

<“In recodifying the child welfare law of this state during the regular session of the Legislature in the year 2015, it is intended by the Legislature that each specific reenactment of a substantively similar prior statutory provision will be construed as continuing the intended meaning of the corresponding prior statutory provision and any existing judicial interpretation of the prior statutory provision. It is not the intent of the Legislature, by recodifying the child welfare law of this state during the regular session of the Legislature in the year 2015 to alter the substantive law of this state as it relates

to child welfare or to increase or enlarge any funding obligation of any spending unit of the state. >

<“§ 49-1-103. Operative date of enactment; effect on existing law>

<“The amendment and reenactment of chapter forty-nine of this code, as enacted by the Legislature during the regular session, 2015, are operative ninety days from passage. The prior enactments of chapter forty-nine of this code, whether amended and reenacted or repealed by the action of the Legislature during the 2015 regular session, have full force and effect until that time.”>
