

John Burdette is pictured above with his daughter, Jambi. In the background his WVSD class photo from 1990 can be seen!

John graduated from West Virginia School for the Deaf in 1990 and received Bachelor of Science degree in Entrepreneurial Studies from Gallaudet University in 1996.

John has worked as an Outreach Specialist for West Virginia Relay Service provided by Sprint Relay. He promotes 7-1-1 Relay and Captioned Telephone services; provided outreach services to various groups serving deaf, hard of hearing, late-deafened, senior citizen, and speech disabled; he gives educational presentations/workshops to various organizations and professionals.

John is very involved with different organizations. He is currently the President of WVAD. He enjoys helping the deaf and hard of hearing citizen, making sure they are provided with better services and resources in this great State of West Virginia.
