

Paul See is pictured above with his wife, Renee, and their three sons, Jaydon, Brody, and Drew.

Paul graduated from West Virginia School for the Deaf in 1993, and later earned a BA in Biology from Gallaudet University.

Paul has worked as an Environmental Microbiologist for the WV Department of Agriculture – Moorefield Field Office since 1999. He tests the water quality of streams in the Eastern Panhandle to assist the Chesapeake Bay Clean Up Program and is responsible for testing soft-serve ice cream!

Paul is very involved with many different sports. Not only did he play various sports during his high school and college years, he also coaches. He has coached basketball for WVSDA for 15 seasons, and Moorefield Middle School football for two! He also coaches for many different sports that his sons are involved in.

Paul looks forward to continuing his service on the Board, and his appreciation of the continuous support from the community.
