

# PART IV: PUBLIC HEALTH QUESTIONNAIRE

**Instructions:** This questionnaire is not part of the Health Risk Assessment Workshop. Please fill-out this questionnaire prior to the workshop or after the workshop has been completed. We encourage you to answer these questions in a group with other health department staff or to solicit staff feedback. Please use the following link to submit the completed questionnaire: <https://www.surveymonkey.com/s/HRAQuestionnaire>

**HRA Tool 4: Questionnaire/Preparedness Narrative**

- 1) What factors limit your ability to mitigate the hazards you prioritized (i.e. staffing, funding, etc.)?

- 2) What additional training do you need related to the hazards you prioritized?

- 3) What steps have you taken to collaborate with local partners to mitigate the hazards you prioritized?

- 4) What is unique to your county that complicates your preparedness planning (For example, some counties may host designated federal COOP sites)?

- 5) Please list any emergency incidents (ex. floods, outbreaks) that employees who are paid with Public Health Emergency Preparedness (PHEP) funds have responded to in the last 5 years:

6) What roles do public health and emergency management, respectively, have in emergency preparedness?

7) Please list any preparedness trainings/best practices that you would be willing to share with other counties in the state:

8) What role does public health have in your top 5 prioritized hazards?

1)

2)

3)

4)

5)

9) What are the top two consequences to your county's citizens of reductions in public health emergency preparedness funding?

1)

2)
