EMERGENCY MANAGEMENT SYMPOSIUM

Building Relationships and Readiness

WVU Medicine is hosting its annual Emergency Management Symposium in Morgantown, WV. This great networking and learning opportunity is open to professionals in emergency management, healthcare, first responders and public health. A variety of speakers will be presenting on current hot topics and recent disasters impacting communities and healthcare facilities. New in 2024, an additional educational opportunity will be offered the afternoon of October 10th.

Thursday - half day
Friday - all day event

October 10-11, 2024
