Mission:
To facilitate and coordinate collaborations, statewide and at the community level, to address Mountains of Hope’s designated priority areas.

Vision:
To reduce the human and economic impact of cancer in West Virginia.

Mountains of Hope:
The Mountains of Hope Cancer Coalition (MOH) works to lower the number of people in West Virginia who are affected by cancer. MOH has over 250 members carrying out this mission. Healthcare providers, public health professionals, students, cancer survivors, and volunteers work together on projects in three priority areas:
  - prevention
  - early detection
  - quality of life

MOH meets four times a year as a way to update members on projects, news, and information from others across the state. Also, members plan ways to support the mission of MOH and to address the goals and objectives of the West Virginia Comprehensive Cancer Plan.

Member Benefits:
- Network with others who share your interest in cancer prevention and control
- Receive up-to-date cancer information
- Receive information on local, state, and national cancer programs
- Be a part of the fight against cancer

Types of Membership:
- Student
- Regular
- Agent of Hope (AOH)—any MOH member that is a volunteer or who volunteers in cancer related projects not associated with a paying job

MOH Founding Organizations:
- West Virginia Comprehensive Cancer Program
- West Virginia University Mary Babb Randolph Cancer Center
- American Cancer Society
- West Virginia Breast and Cervical Cancer Screening Program
