

Joint Use Agreement

The United Methodist Community is working to create a safe place for physical activity in a traffic free area, promote fitness and outdoor exercise, and to provide an area for families and community to work together for a healthier community.

To that end, the United Methodist Community will open this property to the community at no-charge with 24/7 availability. Anyone from the community will have access to the walking trail for fitness and recreation.

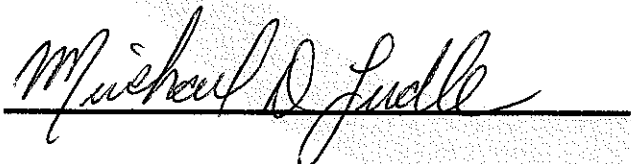

The United Methodist Community will provide year-round maintenance to the property to benefit community usage.
