Mission Statement

To improve the wellbeing of our communities by protecting against public health threats, preventing diseases, and promoting healthy living through education, regulation and community partnerships.

Hours of Operations

Monday	8:30 AM - 4:30 PM
Tuesday	8:30 AM - 4:30 PM
Wednesday	8:30 AM - 4:30 PM
Thursday	8:30 AM - 4:30 PM
Friday	8:30 AM - 4:30 PM
Saturday	Closed
Sunday	Closed

Activities outside normal hours of operation

Food handlers classes are offered after normal business hours and at locations outside of the health department. Special clinics are held outside of normal hours to accommodate needs of the community. Participation in fairs, festivals, health fairs, and other opportunities to provide education outreach to the community is often held on evenings and weekends.

Communicable Disease

Immunization Services

1	Does your local health department report all immunizations administered to children 0-18 years of age every two weeks as required by 64C SR7?	Yes
2	Does your local health department document VFC eligibility (or lack thereof) in the immunization records entered into WVSIS, either through direct data entry into WVSIS or through the HealthStat 2000 system for export into WVSIS?	Yes
3	Does your local health department conduct case management activities related to infants born to HBsAg positive mothers and report findings to the Division of Immunization Services in a timely manner?	Yes
4	Does your local health department report vaccine doses administered and vaccine doses on-hand by the fifth business day of each month?	Yes
5	Does your local health department submit a completed temperature log by the fifth business day of each month?	Yes
6	Does your local health department submit a quarterly report documenting progress toward meeting the objectives outlined in the Immunization Action Plan within 15 days of the end of each quarterly reporting period?	Yes
7	Has your Local Board of Health been apprised of the BPH recommendation to adopt or expand a private vaccine purchasing and billing system which would require the LHD to bill third party payers and individuals (on sliding fee scale) for some out-of-pocket payment?	Yes
8	Has your Local Board of Health indicated any concern or unwillingness regarding the development or expansion of such a private vaccine immunization program?	No
9	<p>If you answered No or NA to any question, please explain:</p> <p>Our board is willing to purchase some vaccines for private use. However, the cost related to such vaccines prohibits us from purchasing all recommended vaccines.</p>

2016 Reporting Year

STD, HIV and Hepatitis

1	Does your local health department collaborate with Disease Intervention Specialists (DIS) in investigating and assuring treatment for all syphilis, gonorrhea and Chlamydia cases (including all clinical cases i.e., all positives, all symptomatic, and all contacts of a known positive case) according to 2010 CDC STD Treatment Guidelines.	Yes
2	Does your local health department complete and submit the HIV/AIDS Confidential Case Report on all newly diagnosed HIV/AIDS cases to the West Virginia Division of STD/HIV and Hepatitis in a confidential, postage-paid envelope.	Yes
3	Does your local health department routinely recommend syphilis and HIV testing to all individuals who have tested positive for an STD?	Yes
4	Does your local health department offer HIV/AIDS testing and counseling including posttest counseling and referral on all HIV/AIDS positive cases?	Yes
5	Does your local health department complete and submit VD 91 (confidential morbidity and treatment report) on all positive Chlamydia, gonorrhea and syphilis cases.	Yes
6	Does your local health department routinely schedule appointments for individuals to return for their test results?	Yes
7	Does your local health department identify and investigate hepatitis B cases, including partner management.	Yes
8	If you answered No or NA to any question, please explain:	

Tuberculosis Elimination

1	Does your local health department provide directly observed therapy to all active TB patients?	Yes
2	Does your local health department perform a TB risk assessment prior to testing on all individuals presenting for tuberculin screening/testing?	Yes
3	Does your local health department evaluate, treat and report to TB Elimination all immigrants and refugees designated as Class A, B1 or B2?	Yes

Full Program Plan Report

Marshall County Health Department

2016 Reporting Year

4	Does your local health department perform HIV counseling and testing for all active and latent TB patients?	Yes
5	Does your local health department interview the patient (or their proxy) and start a contact investigation within 3 days of notification of a pulmonary/laryngeal case of TB?	Yes
6	Local health department personnel will participate in the Cohort Review Process for all active TB cases within their jurisdiction.	Yes
7	Does your local health department submit all required reports when they are due to the Division of TB Elimination? (All required reports may be found on WV-DTBE webpage @ www.dhhr.wv.gov/oeps/tuberculosis).	Yes
8	If you answered No or NA to any question, please explain:	

Infectious Disease Epidemiology

1	Does your local health department use WVEDSS to report all infectious diseases?	Yes
2	Does your local health department report all outbreaks to DIDE within one hour of notification?	Yes
3	Does your local health department report infectious diseases, complete the investigation, and submit for review within one month of notification?	Yes
4	Does your local health department actively participate in all outbreak investigations?	Yes
5	Does your local health department complete animal bite investigations within 30 days of report; and does your health department manage animal bites in accordance with standards in the current DC-4?	Yes
6	Does your local health department have an influenza sentinel provider that consistently reports throughout the season?	No
7	Does your local health department identify, investigate, and manage hepatitis B cases according to the BPH Hepatitis B protocol, including partner management?	Yes

Full Program Plan Report

Community Health Implementation Plan

Priority Area:	Tobacco Usage
Objective:	Reduce tobacco use by adolescents
Activity	Collaborate with Marshall County Schools to use the classroom as an venue to educate against tobacco usage; display and distribute educational materials at fairs, health fairs and other public venues; collaborate with regional tobacco prevention coalition coordinator.

Priority Area:	Tobacco Usage
Objective:	Increase the proportion of persons covered by indoor worksite policies that prohibit smoking
Activity	Enforcement of clean air regulations.

Priority Area:	Obesity
Objective:	Increase the proportion of adults, adolescents and children who are at a healthy weight
Activity	Utilize a college intern (exercise physiology and nutrition major) to develop educational materials to be posted on social media sites and health department website; as well as develop presentations and present to targeted groups.

Training and Technical Assistance Needs

1	<p>List Training and Technical Assistance Needs</p> <p>Training and models are needed to be able to conduct community health needs assessments and produce a meaningful document.</p>

Collaboration across disciplines

Brief Description of Activity/Project

The health department coordinates meetings every six to eight weeks, with other agencies, businesses and non-profit organizations, for the purpose of threat preparedness planning, information sharing, and educational opportunities. The meetings are well attended by a wide variety of disciplines including emergency management, municipalities, law enforcement, hospital, schools, health care, regional correctional facility, mental health, non profit organizations and others.

Impact/Outcome

These Community Partner meetings have helped us in fostering relationships with key individuals who may be called upon to assist us in the delivery of emergency public health services, and in turn they have come to rely on us to assist them in their times of need.
