

PURPOSE: To establish standard requirements to be met by all applicants currently seeking to reinstate a provider endorsement in West Virginia.

POLICY: To ensure consistent standards and procedures for reinstating a provider endorsement that has lapsed in West Virginia. Any lapse in certification/licensure while holding a WVOEMS established endorsement automatically results in a lapse of endorsement.

PROCEDURE/REQUIREMENTS:

- A.** Possess a valid National Registry account.
- B.** Maintain a valid WVOEMS account utilizing Image Trend.
- C.** Educational Requirements:
 - 1. C3IFT Endorsement:**
 - a. Any lapse
 - i. Must complete the entire C3IFT course and all associated exams (psychomotor and cognitive)
 - 2. MCCP and MCCN**
 - a. Lapse 1 day up to 1 year
 - i. Must complete an entire CCT refresher course
 - 1. This may be accomplished by a full refresher course, or full set of refresher modules, including skills module
 - ii. Must successfully complete the WVOEMS CCT cognitive exam with a qualifying score
 - b. Lapse over 1 year + 1 day
 - i. Must successfully complete the entire CCT course, including all clinical components
 - ii. Must successfully complete the CCT psychomotor exam
 - iii. Must successfully complete the WVOEMS CCT cognitive exam with a qualifying score
