

**CLINICAL LABORATORY PRACTITIONER
TRAINEE LICENSE APPLICATION**
(updated 4/2024)

I am requesting a Clinical Laboratory Practitioner Trainee license at no cost. After meeting the following requirements, I can apply for a Clinical Laboratory Practitioner License, which costs \$25. **Trainee licenses may be issued for a maximum of three years and are only able to be renewed under certain circumstances.**

1. Degree in MLT/MLS: must pass a certification examination
2. Degree in a chemical or biological science, or meets minimum course requirements: must gain one year of documented clinical training or experience.

Please provide your degree/transcripts and documentation of program enrollment or employment, as applicable.
