

28.4 THE CASE MAINTENANCE PROCESS**A. CHANGE IN INCOME AND DEDUCTIONS**

A change in income and/or deductions between redeterminations does not result in ineligibility for the individual, unless the changes result in eligibility for a full coverage Medicaid group.

The client must report a change of address, change in pharmacy and any additions to or deletions from the AG.

B. AG CLOSURE

If the recipient of the Special Pharmacy Program becomes eligible for full coverage Medicaid, notification must be sent to the DFA Economic Services Policy Unit immediately. The Special Pharmacy is closed after the Policy Unit notifies the Worker and proper notice is issued to the client. The Policy Unit notifies BMS to close the Special Pharmacy case.
