## TRANSFER OF ASSETS

- 11. Imposition of a penalty would work an undue hardship—
  The agency does not apply the transfer of assets provisions in any case in which the agency determines that such an application would work an undue hardship. The agency will use the following procedures in making undue hardship determinations:
  - a) Recipient is notified in writing that a penalty will be imposed.
  - b) Recipient has thirteen (13) days to respond and request a waiver of the penalty due to undue hardship.
  - c) The Office of Family Support shall review the request and make a decision within 90 days of receipt of such request.
  - d) If a determination is made that undue hardship does not exist then the recipient has the right to request a hearing before a State Hearings Officer who will issue a final rule.

The following criteria will be used to determine whether the agency will not count assets transferred because the penalty would work an undue hardship:

- The affected applicant/recipient has exhausted all means, legal and otherwise, to receive a fair market for the transferred assets; and
- 2) The affected applicant/recipient is unable either to regain the transferred asset after all means, legal and otherwise, have been pursued, or to receive a fair market return for the transferred asset; and
- 3) The affected applicant's (recipient's) health would be in jeopardy without the assistance of Medicaid coverage.
