SUBJECT: Rates

This memo summarizes the rate increases that were addressed during last month’s HCBS provider Zoom meetings. Also, please note that the rates for IDDW day services (Facility-Based Day Habilitation, Supported Employment, Job Development and Pre-Vocational Training) have been corrected in Gainwell’s system. The temporary 50% rate increase for IDDW day services will remain in effect until further notice. On July 25, 2022 Gainwell reprocessed paid claims for IDDW day services with dates of service on/after July 1, 2022 that had been reimbursed at the incorrect/lower rate. We apologize for the inconvenience caused by this error.
