| 6/28/2022 | Community Services Inc | NF | 20yo female, currently residing in Kanawha County with her 23yo sister (current guardian/caretaker) and her sister's two young children due to losing their mother (former guardian/caretaker) tragically/suddenly in 2020. Individual is looking for ISS placement ANYWHERE ASAP, although, family hopes for placement in Kanawha or the surrounding counties (e.g., Putnam, Cabell, Boone, Logan, Fayette, etc.) for continued visits. Individual is verbal but often withdrawn, can ambulate unaccompanied, no vision impairment, continence, no seizure disorder, and no known allergies. She requires minimal prompting with personal hygiene and other ADL's. Diagnosed at 13yo w/ASD- Severe and ID-Moderately Severe. Her two main target problem behaviors are defiance and insistence, and she becomes physically aggressive if not re-directed. Small children in the home have been targets for aggression on "bad days," so she is best placed with someone that is not profound in daily needs. She has been hospitalized for psychiatric emergencies at CAMC 3 times since 2020 for being aggressive towards small children and her sister is not able to continue placement for safety for their family. Individual requires, and desperately needs, continual monitoring, med management, and BSP Support. A preliminary DSSLA was submitted 11/18/2021 to attempt to get an emergency living arrangement change while making agency referrals, approval pending an accepted agency referral. | Jason Bowlick, Clinical Leader, Phone: 304-205-7978, Ext. 302, jason.bowlick@cswv.com |
